

# STATE OF FL DOH PST 6<sup>th</sup> EDITION WORKBOOK SECTION 5 QUIZ

The below is intended to compliment or be used in conjunction with the FL DOH PST 6th Edition Workbook dated 2024. FL APCO Training Committee recommends the workbook be thoroughly read in preparation for the state examination. The below is meant to aid, not to substitute or supersede the information found in the workbook.

1. The three major incident types are Police, Fire and Metro Public service calls.

True or False

2. The potential for injury and/or property damage are influencing factors for incident prioritization.

True or False

3. Assault is when some type of physical contact has occurred. Battery is a threat of bodily harm that reasonably causes fear.

True or False

4. Describe public service calls.

---

5. Define the level of care provided by paramedics.

---

6. List four factors that should be considered by the PST when balancing the urgency/priority of an incident with resource limitations.

---

---

---
