

Hi GVWGA Members and Associate Members,

I was just made aware of an email that came out addressed from Cindy Keller that was **NOT from her but from a SCAM !!!**

Please **DELETE IT And BLOCK the SENDER !**

If you are not sure which email I am referring to, see attached !

Also, if you don't have antivirus software on your computer, please get one and have it run daily.

Here is an article from PC Magazine referencing the best antivirus software in 2025:

Thank you,
Liz Prescod, GVWGA Webmaster and Tech Support
