The Genesee Valley Women's Golf Association was organized last night (June 5, 1935) at the Genesee Valley course. Newly organized and determined to stage an active golf season;" in what seemingly was a gentleman's sport in 1935. This year, 2025, GVWGA is celebrates 90 years of women's golf! When you have a beginning as strong as these ladies in 1935, it's no wonder that we have endured and enjoyed these many years together in a sport we all love.

We had our first Board meeting on January 9th, and, rest assured we have hit the fairway planning and scheduling for our upcoming 2025 golf season. Save The Date - for our Spring Banquet, Tuesday, April 29th, at Ontario Golf Club. GVWGA tournament dates for 2025 are coming soon. The RDGA Tournament schedule came out January 15th . RDGA tournaments are great opportunities to play at courses you may never have played...- Stafford CC, Brook-Lea CC, Wayne Hills CC..., all beauties! Cathy Smith will be our new liaison to Penn Fair Golf. If you're looking to get fitted for new clubs (recommend!), or just wanting to replace those worn out grips, please check out Penn Fair Golf in East-Rochester, and mention GVWGA. They continue to support GVWGA, and their staff provide great advice and service. To our snow bird ladies, enjoy the weather and the golf. For the rest of us, golf simulators and dreams for an early spring!

January Golf Funny: Heather knew her boss lady, Sandy, was out for the day and decided to sneak in a round of golf. She took her office cell phone with her just in case there was an office call. Sandy, boss lady, called Heather and asked how everything was going. Trying to keep her composure, and muffle the golf sounds, Heather said, "All under control Sandy! Is there anything you need?" To which Sandy, boss lady replied, "Could you move a little faster? I'm in the foursome behind you!"

Stay safe and warm ladies. So long...for now,
Cindy Keller
