

Dear Members,

In the cold of the winter, it's great to get our GVWGA 2025 Membership Renewal email from our Membership Chair, Luisa. Membership fees have not increased for 2025. April 1st is the deadline for membership renewal to avoid a \$10.00 late fee.

And, more good news, Barbie, our Tournament Chair, has posted the GVWGA 2025 Tournament Schedule (preliminary) to our website. The same member password from last year can be used to access our member's only page. If you don't remember the password, you can contact me in reply to this message.

Pennfair Golf is extending to us a free club fitting during the month of February. They are located at 349 West Commercial Street (The Piano Works) in East Rochester. In addition to owner Steve Allen's 10% donation to our Fall Awards Banquet, he is expanding the Pennfair Golf donation to friends and family of GVWGA members. This means anyone who purchases an item from the store and mentions GVWGA, Steve will add their purchase to our total. Steve is also planning to organize a couple of Demo Days at cooperating courses before the start of our tournaments, with the addition of a putting analysis machine. All great things coming from our favorite local place to shop for golf equipment and accessories. Thank you to GVWGA Member Michele, our Pennfair Golf connection!

RDGA has opened their registration for the RDGA Women's Open on Monday, September 22nd at the beautiful Stafford Country Club in Stafford, New York. You can go directly to their website to sign up, as well as see the 2025 RDGA Tournament Schedule for upcoming events.

February Golf Joke: What does a golfer's diet consist of?
A lot of greens and water. (Ouch!)

Happy Valentine's Day!

Talk to you...soon.
Cindy Keller
