

GVWGA Election Participation 2026

Dear Members,

Why should I consider serving on the GVWGA Board?

Influence decisions: Board members help shape policies, tournaments, membership programs, budgets, and the association's future.

Represent women golfers: Women's perspectives ensure that facilities, events, schedules, and development opportunities serve the full membership.

Create valuable connections: It offers relationships with golfers, and other women golf associations.

Improve organizational performance: Boards make better decisions when they include people with varied backgrounds, experiences, and perspectives.

Women do not need to be expert golfers or have previous board experience. A willingness to contribute, learn, collaborate, and advocate for members can be just as valuable.

Nominations for GVWGA President, Vice-President, Secretary, Treasurer are ongoing for the month of September.

Please send your nomination/self-nomination to Michele Miller, GVWGA Nomination Chair, at bearzilla4@aol.com

If you would like more information about these positions, please reach out to me! Our present Board and Chair Persons, and of course our Members are the reasons I have decided to run again for President. Click on the attached photo of our GVWGA Founders from 1935. We work together...for the better...for GVWGA!

Cindy Keller,

GVWGA President

GVWGA Election Participation 2026

Genesee Women Golfers Absorb Professional Advice

Newly organized and determined to stage an active golf season, the Women's Golf Association of Genesee Valley Park will conduct its first sweepstakes tomorrow, Sunday and Monday. Above are some of the guiding spirits snapped with George Collins, Genesee

pro. From left, Mrs. Elmore Taylor, president; Dorothy Ryan, secretary; George Collins; Frances Whiting, treasurer; Mrs. E. L. Miller, vicepresident, and Hilda Barry, tournaments. The golf committee chairman is Miss Ada Munger.
