

OUR FIELD

for your event...

WEDDINGS, PARTIES, CORPORATE EVENTS...

Your event... your way

At Field Your own in Slade Hooton, nr Roche Abbey we provide a blank canvas for you to host your event; your way. Exclusive hire of our 12 acre field with electricity and water included. A fire pit with seating is provided and our pygmy goats in the adjacent paddock providing daily entertainment.

Camping included

When hiring the field for more than one day you are very welcome to bring a tent or motorhome and stay on site. Dogs are welcome too and there are some beautiful walks nearby. At one end of the field we have planted over 300 trees in our aim to create our own unique woodland.

We can help!

A completely DIY event can be daunting so we've put together a list of caterers, toilet and marquee hire companies and lots of other resources you may need. Just ask and we'll do our best to assist!

YOU'RE INVITED...

Getting a date that everyone can make is precious when planning an important life event. We know you will love our field! Secure your date, tell your guests and get planning. We're here for the big stuff but rest assured we leave the finer details to you.

THE DETAILS

Our field is on a working farm so you can be sure it's authentic! Drive through the gates of the fully fenced field and it's exclusively yours for the duration of the hire period.

The Game Plan

As soon as you reserve the field we recommend booking toilets, marquee and all the important bits. We can provide details of companies we have worked with.

Hire the Goods

Whilst our equipment is not exhaustive it's constantly expanding. Speak to us about hiring glasses, tables, barrels, a bar and much more directly from us.

Get your License

The beauty of using our field is that you're part of a very select group! However you will need to apply for a TEN from Rotherham Council for your event as we seek to keep it for limited, exclusive use.

About us

We are arable farmers, growing a mix of milling wheat, oil seed rape, sugar beet, potatoes and beans. When we married in 2022, we grassed down this field at Hall Farm as our perfect location. We'd love you to enjoy it as much as we have and still do.

Why Choose us

- ✓ It's a blank canvas for your event - choose all your own resources - fully bespoke to you.
- ✓ We are 'can do' people! Want a specific pallet bar - we'll make one!
- ✓ Want a field with a view? You got it. Look down our field and you'll see nothing but a rolling landscape of nature.

How do I book?

Our terms...

Check our website for available dates. We use the field under 'permitted planning' which allows for a few days each year... so it really is unique to you!

THE IMPORTANT BITS...

- How many days will you need for set-up and take down? All additional days are chargeable as they reduce the number of events we can hold each year.
- We take a £250 refundable deposit to ensure field is left tidy and free of rubbish.
- It is your responsibility to source a TEN (temporary event notice) from Rotherham Council. There is a minimal charge for this but without a license your event will not be legally allowed to take place.
- As we are a working farm we cannot allow parking in the farmyard due to health and safety. Once you are through the gates of the field you can set up your event and parking as you desire.
- There is no contingency plan for bad weather! Fortunately as we have found with previous events, the field is very well draining and does not flood!

Toilets must be hired for your event. We can recommend hire companies if required.

Live music must finish by 11pm. Please be considerate of our neighbours.

Why not try a silent disco thereafter?

FIELD YOUR OWN

Priving Structure

- A 50% deposit is taken at the time of booking to secure the field for your chosen dates.
- In an event of cancellation the deposit is non-refundable.
- Full payment must reach us 2 months prior to you booking.

Field hire is £500 a day with access from 9am. The field should be cleared by 4pm on the last day of the hire period.

For hire:

Straw bales £6.50 each

6ft tables @ £5 each

Pallet Bar @ £25

Glassware 50p per item

Barrels (poseur table) @ £8

Hot water urn £10

Roped car parking £25

Logs for the fire pit must be supplied by us. We can supply a 1 tonne storage box full of barn dried logs for £200 with a refund on any that are unused.
