

Introduction to SoulCollage® Workshop

Presented by Stefanie Von Ohlen LCSW

Saturday, September 21, 2019

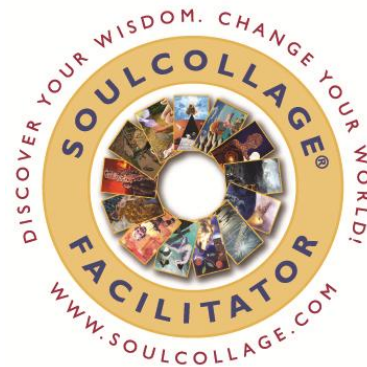

9 a.m. – 2 p.m.

Downtown St. Petersburg, Florida

912 Central Ave., #302

SoulCollage® is a system for creating a deck of cards and is described as a visual journal. Using images from magazines, books, and various publications, individuals create their own unique deck of cards, where each card represents a different aspect of themselves. This workshop will include group processing and sharing in a non-judgmental, nurturing space. It requires no special skills but can often produce images and insights that are surprising and full of depth and meaning. It is a gentle, playful and often joyful way of exploring your life and deep self.

SoulCollage® was created by Seena Frost and is an internationally known practice. A SoulCollage® deck includes transpersonal cards and four different suits. These will be explained in more detail during the workshop. The combination of your unique cards creates a SoulCollage® deck...which is the story of YOU!
