

THE GOAL

For the 2024 season, I will be racing in Lucky Dog Racing Canada (LDRC) in a C5 Z06 Corvette with SportCup racing.

LDRC is an endurance racing series that offers a professional racing environment and exciting wheel to wheel action. The LDRC makes annual stops at prestigious Canadian racetracks such as Canadian Tire Motorsport Park, Calabogie, and Shannonville.

Your sponsorship would allow me, a young local race car driver, to chase my dream of making it to IMSA, and bring your company with me.
