Professional Experience

Monroe County Democratic Committee: Executive Director

July '25 - present

- Build and manage systems for volunteer, intern, and committee member engagement, expanding capacity across communications, field, and event planning.
- Design and implement strategic plans to modernize party infrastructure, including technology upgrades, office operations, and digital integration.
- Lead fundraising initiatives, including donor programs, major events, and recurring giving campaigns, to strengthen the Party's financial sustainability.
- Develop and deliver candidate and staff training programs, including Campaign School and Campaign-in-a-Box resources, to professionalize campaign operations.
- Oversee communications strategy, including newsletters, social media, press engagement, and internal messaging, to ensure consistent and effective outreach.

Monroe County Board of Elections: Information Coordinator

January '22 - July '25

- Served as the primary point of contact for staff, candidates, and constituents in the Democratic Commissioner's office
- Supported Democratic Commissioner, Deputy Commissioner, Compliance Counsel, and Financial Analyst with research and project prioritization
- Produced confidential documents and research to support the Commissioner's office.
- Managed communications with voters, candidates, parties, media, and municipalities on election law and procedures

Community Engagement

President of Monroe County Young Democrats

July '23 - June '25

- Empowered local young democrats to take on and succeed in leadership roles on campaigns and in the committee
- Raised approximately \$15,000 to support our organization
- Plan and host 20+ events for young people to network with community leaders and elected officials
- Increased membership from 0 to over 100 members
