

PGA HOPE is the flagship military program of **PGA REACH**, the charitable foundation of the **PGA of America**. The purpose of the program is to improve and enhance a Veterans physical, mental, social, and emotional well-being through the game of golf. The major emphasis of the program is towards helping those that are disabled (physically & mentally). **PGA HOPE St. George** introduces golf to all Veterans that currently do not play golf or have little golf experience.

There is no cost to the Veterans to participate but registration is required.

CLUBS WILL BE PROVIDED AT NO COST TO THE VETERAN IF YOU DO NOT HAVE CLUBS FOR THE PROGRAM.

The PGA of America and local PGA Golf Professionals are working closely with community organizations to assist Veterans. Sessions are taught by our area PGA Professionals with help from volunteers. The program includes instruction, training aids & activities, range balls, clubs if needed and **playing golf on the course**.
