July10, 2025 – Water Board Meeting of The Grove Water Supply Corp.

Board Members Present: Glenn Schwanke, Susan Winkler-Dossey, and Mike Seiler, General Manager/System Operator Justin Veazey and Financial Controller Amy Veazey

Glenn asked if everyone had a chance to review the minutes.

Susan made a motion to approve the minutes.

Second by Mike.

Minutes approved.

Glen said they poured the slab, and the building may be in next week. They will get the gate in and start getting everything ready. Glenn said he will get the propane tank moved over to the pad and let everyone know when that is done.

Justin said the slab should be ready next week and they can start getting that all plumbed in.

Glenn said they will need to get propane and the cost has gone up.

Justin said it will run for one hour every Tuesday and will switch over all the power and self-diagnose. They will set up an antenna and it will talk to the office. They will keep it topped off. All that will be set up when we get the contract done. Justin said he would like them to come by every week and top it off just to make sure.

Susan said that is the safest way.

Justin said he reached out to the guys about the valve down at the water plant and they will diagnose that. The one at the overhead needs a sub-pump and a 110 plug. It would be best if they could do it all at once.

Susan said we should go ahead.

Mike agreed.

Justin said he would let them know.

Justin said the water loss went up a little bit, but everything has been so wet. It is starting to dry up now so we should be able to see where the leaks are.

Justin said they did the free burn, and we have a little bit of yellow water. The Enclave has really noticed it.

Amy asked Glenn if he needed a check for the website and the donation for the tree sent to Chris's Dads funeral.

Glenn said he would get a receipt to her.

Glenn said he has an estimate for the new signs, emergency contact signs. They are 4-foot square aluminum composites with letters. It is \$295.08 for two signs.

Susan approved and Mike agreed.

Glenn said he needs to look at prices for meters.

Susan asked if we could table it until we have the full board present.

Glenn said yes.

Susan made a motion to adjourn.

Second by Mike.

Meeting adjourned.
