

Is the price right?

Don't guess.
Work with a PSA.

When you're selling your house, you want to get the most from your investment. But determining the most accurate price for your home can be confusing.

That's why you need a REALTOR® who is a Pricing Strategy Advisor (PSA).

A PSA adds valuable perspective to your sale by taking the guesswork out of pricing. They can find your accurate price by strategically building a **thorough Comparative Market Analysis, or CMA.**

Gain the confidence that your house is presented – and sold – at the most accurate price.

I'm a PSA, and I can help you determine the right price for your home.
