SLS TTIC – 25 Years and growing!

Celebrating 25 Years of Excellence in Traffic and Transportation Consultancy

At SLS TTIC Pvt Ltd, we are proud to celebrate a remarkable milestone—25 years of dedicated service in the field of traffic and transportation consultancy. Since our inception, we have been committed to enhancing mobility, ensuring safety, and shaping the future of transportation with innovative solutions.

A Legacy of Innovation and Expertise

Established in 1999, SLS TTIC Pvt. Ltd. boasts a team of expert planners and engineers, headed by **Dr. Sanjeeva Kumar B.H**, a Ph.D. in Traffic and Road Safety Management.

Dr. Sanjeeva Kumar B H, an entrepreneur with 25 years' experience, has been pivotal in ITMS and Road Safety. As Managing Director of the SLS group, he implemented Bengaluru Central Area TMS and designed the city's Traffic Management Center. His leadership spans traffic initiatives across 2500+ locations in India, covering Local Area Traffic Management Systems, Safe Routes to Schools, and Junction Improvements.

SLS TTIC was set out with a clear mission: to provide cutting-edge consultancy services that address the evolving challenges of traffic and transportation. Over the past quarter-century, we have grown from a visionary startup into a leading industry player, known for our expertise, integrity, and client-focused approach.

Our journey has been marked by significant achievements and contributions to the field. We have successfully managed a diverse portfolio of projects ranging from urban traffic management and transportation planning to infrastructure development and policy advisory. Our team of skilled professionals has consistently delivered high-quality solutions that drive efficiency, sustainability, and safety in transportation systems.
