

# ATHLETIC FIELD DRAINAGE SYSTEMS

## TRUSTED SPORTS FIELD SUPPLIER SINCE 2009

Supplying Over 3,000 Fields Worldwide

Kinder Brothers Supply provides complete drainage solutions for athletic fields – including pipe, fittings, liners, fabrics, and nailer boards. Our systems are built for durability, efficiency, and long-term performance across all sports and field types.

### BETTER DRAINAGE = STRONGER FIELDS, SAFER PLAY, LONGER LIFE

With decades of experience dedicated exclusively to sports fields and more than 3,000 fields supplied nationwide, Kinder Brothers Supply partners with leading manufacturers to provide the most reliable products on the market.

Each system is engineered for:

- Improved playability in all conditions
- Reduced maintenance costs and faster drying times
- Extended turf life through superior moisture control
- Environmental durability with long-lasting materials

Our experienced team assists with design consultation, installation support, and specialized project take-offs, ensuring cost-effective results from start to finish.
