

Welcome to Tabard's Ale House

The Tabard's name comes from Chaucer's 14th century classic, The Canterbury Tales. The Tabard Inn was at a crossroads where strangers were invited to share their stories. Chaucer's diverse group included soldiers, preachers, lawyers, carpenters, nuns, politicians, doctors, teachers and sailors to name a few. Our Tabard's Ale House seeks to embody this same spirit where people from all walks of life can gather to share good food, stories, drink and laughter.
