Funded Places:

We currently offer 2 models of funding.

Term time funding is only available for 38 weeks of the year. For the funding timetable please see the entrance hall or ask a member of the management team about the unfunded weeks.

1. Stretched funding-To make fees more consistent for parents across the year, we are able to stretch the funded hours across 51 weeks of the year. This means that you get fewer hours each week but can claim them across the whole year. Parents claiming stretched and unstretched get the same funding over the year. We are unable to offer free stretched places due to the session times and hours available each week on the stretched offer.
2. Funding for 2-year olds is only available to families that meet certain criteria. We will need to see and take a copy of your eligibility letter from Derby City Council before you can take up your place.

Funded Session Meals: We provide two healthy snacks per day and a hot dinner and tea the cost of this is £10. If you attend a funded only session and would like to bring a packed food, you are welcome to and this session would be free. However, lunches are left in the child's bag until lunch time and we do not offer refrigerated storage. If you choose this option please speak to the manager regarding allergies and our packed food policy.

All holidays and illness must be paid in full.
