ABOUT BOTA CONSULTING GROUP

Bota Consulting Group help businesses delivering impactful solutions that streamline operations, enhance revenue, and reduce costs. Their services go beyond outsourcing—by integrating both off-shore efficiency and onshore expertise, they tailor their approach to meet unique business needs.

Founded by Lola Gazivoda, a leader with nearly 20 years of experience in the business banking division, she leverages her deep industry knowledge and an extensive network to offer more than just staffing solution. Whether you are seeking to improve your financial services, optimize revenue streams, or cut unnecessary expenses, their team is equipped to deliver results that make a real difference.
