Glen Rose Soccer Association Playing Rules

The Affiliate Stepladder of Rules are:

F.I.F.A.	Federation International de Football Association
U.S.S.F.	United States Soccer Federation
U.S.Y.S.A.	United States Youth Soccer Association
N.T.S.S.A	North Texas State Soccer Association
G.R.S.A.	Glen Rose Soccer Association

Herein, the governing bodies may be referred to in their abbreviated form, i.e. GRSA (Glen Rose Soccer Association)

1 FIFA Rules Govern

The rules of the game as promulgated by FIFA shall come into force at the beginning of the season next ensuing except as provided hereafter by this association. (USSF)

2 Seasonal Year

2.1 The seasonal year shall begin on September 1st and end on August 30th of the following year. (NTSSA 3.0)

2.2 GRSA shall have two soccer seasons per soccer year; Fall (September through December) and Spring (March through June).

3 Definition of Recreational Team

3.1 Under 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19 age groups (NTSSA 4.7.6.1).

GRSA permits teams to remain together from season to season and GRSA must ensure that all those rostered players have been contacted and given the opportunity to remain on that team (NTSSA). Each returning player has the right to stay on the returning team unless members of that team are needed for another team in that player's age division to meet minimum team requirements. (GRSA)

GRSA considers contact to be defined as emailing an announcement of registration. The player will be considered contacted when email is sent.

New Recreational teams and returning teams that need players are assigned (rostered) or formed to a team by a random draw from a player pool for each age group and if needed division within the age group. The random draw is conducted by a three member committee; the Registrar, President or First Vice-President, and in the presence of at least one other board member. This team building meeting will be announced and posted 10 days prior so anyone wishing to attend may be present.

Players names shall not be identified to the coach until the player is placed on the team. Only the head coach may request their child to be rostered to the team that he/she is coaching.

If a person becomes the head coach of a new team formed by the member association in

the current season, the coach may request their child be rostered to the new team he/she is coaching.

GRSA uses only the above method for recreational team formation.

Any other method of player assignment or team formation is considered non-recreational.

3.2 For Under 9, 10, 11, 12, 13, 14, 15, 16, and 19 age groups (NTSSA 4.7.6.2)

Players are assigned by the method described in paragraph 3.1 above when players are available in the player pool. If no players are available in the player pool, coaches of record may actively seek players of the proper age group within the member association to be added to the team as long as no methods are used to assess the ability of the player and:

1. The player is not presently registered on an existing team.
2. The player did not play for a returning team during the previous season.

Only the head coach may request their child to be rostered to the team that he/she is coaching.

If a person becomes the head coach of a new team formed by the member association in the current season, the coach may request their child be rostered to the new team he/she is coaching. In order for any person to request their child be transferred to a returning team they are coaching, they must have been the head coach of record of the team for the previous two outdoor playing seasons, or asked to be the head coach of the returning team by a majority vote of the Board of Directors.

GRSA uses only the above method for recreational team formation.

Any other method of player assignment or team formation is considered non-recreational.

Any team not formed by the above manner shall be considered non-recreational for recreational league and tournament play.

3.3 A team not formed of players assigned as defined in the paragraphs above is considered a select/competitive team (NTSSA 4.7.6.3)

3.4 Established teams are defined as a minimum of six (6) returning players from the most previous soccer season. A player on an established team during the last season may continue to play on the same team for the following season providing age requirements permit (may be waived for players on established teams), player is not needed for another team in that player's age division to meet minimum team requirements, and registration has not ended. (GRSA)

- 7.2.1 Experienced players moving up individually, left behind by a team moving up, and/or players not having a coach will go into the player pool. In the event that team vacancies cannot cover both new and experienced players, the assignments of experienced players from the most recent soccer season will have priority. (GRSA)
- 7.2.2 If necessary, established teams may be dissolved to increase the player pool. In this case, the team with the least number players returning will be dissolved and placed in the player pool. (GRSA)
- 7.2.3 If requested by the parents, siblings may be assigned to the same team. Both siblings will be assigned to the first team that draws one of the siblings. In the case that the team does not have room for both players, they will return to the player pool.

- 7.6.2 Any coach, assistant coach or team manager who may be responsible for playing ineligible players or carrying "ghost" players on the roster shall be subject to suspension and/or other penalty as stipulated by the Board of Directors. When ghost players are discovered and single responsibility cannot be determined, the coach of record shall be deemed responsible. (GRSA)
- 7.6.3 A "ghost" player is defined as any player being carried on a team roster, prior to the deadline for deleting players, but who has not actively participated in practice or games, for the purpose of keeping the Registrar from adding players from the player pool. (GRSA)
- 7.6.4 All teams are subject to roster verifications and checks. Players practicing and/or playing shall be those on the official roster as filed by the Registrar to NTSSA. The registrar shall be responsible for maintaining team rosters. (GRSA)

7.7 Processing Time Needed

A seventy-two (72) hour processing time is mandatory on all requests for changes and/or copies or rosters, individual forms, add/delete/transfer forms, and any other documents that might be needed for tournament or league play. All requests must be made through the GRSA Registrar in writing or by email. (GRSA)

- 8.2.7 The Registrar will take appropriate note of the release and deliver it at once to the President for approval or denial. Once approved, the player is released from that team and cannot be reversed if another team is not available. (GRSA)
- 8.2.8 The Registrar will only accept an approved release from the President and shall make an immediate correction to the team roster from which the player was released. Registration fees will be refunded to the player if another team is not available.
- 8.2.9 A player may appeal in writing to the President for a hearing if he/she feels they have been wrongfully released or wrongfully denied their release. (GRSA)

- 8.2.11 A player release, signed by the coach of the player requesting to tryout, is required to attend competitive team tryouts in the spring; a release is not required for tryouts in July and August. (GRSA)

8.3 Soccer Related Activities (NTSSA 3.10.1)

No coach, assistant coach, trainer, or team representative may practice any soccer related activity with any NTSSA registered player that does not appear on his or her current NTSSA roster or is not considered to be a free agent by current NTSSA Rules and Regulations. This includes "informative" or "organization" meetings or discussions involving youth players or youth player's parents/guardians. A free agent is a player in the U-12, U-14, U-16, and U-19 age division who desires to try out or be selected for a competitive team between July 1st and August 31st of the present soccer year. NOTE: The above does not include indoor soccer.

8.4 Soccer Camps/Clinics (NTSSA 3.10.2)

NTSSA registered players may attend soccer camps (clinics), academies, private lessons, etc., hosted and/or coached by individuals, teams, clubs, and/or organizations other than the player's current coach, team club and/or organization as long as the soccer camps meet the following criteria:

8.4.1 The clinic, camp academy, must be available to all interested persons for each age group offered through an open invitation.

8.5 Failure to Comply (NTSSA 3.10.3)

Failure to comply with the paragraphs above may result in the offending coach, assistant coach, manager/trainer, and/or team representative being suspended from soccer activities for a period of not less than one (1) year.

9 Tryouts (NTSSA 4.8)

- 9.1 GRSA does not allow tryouts for recreational teams.

10 Players and Parents/Guardians Rights

Players rights and Parents/Guardians rights concerning coaches, assistant coaches, team managers or anyone who offers or who is delegated any team responsibility.

- 10.1 If at any time during the course of the existence of a team that a coach, assistant coach, team manager or any said responsible individual exhibits irresponsibility or that character which may be deemed detrimental to the development of a player, that individual may be required to surrender his/her position.
- 10.2 Such requested action shall be submitted in writing to the Second Vice-President. If such request is signed by 50% of team parents (each child's family counting as one signature), the Appeals and Discipline Committee shall hear the grievance.
- 10.3 The Vice-President and the Appeals and Discipline Committee shall rule.
- 10.4 Offenders may be subject to suspension from all GRSA soccer related activities.
- 10.5 The GRSA Board of Directors can act to remove a coach, if, it is the opinion of the Board, the coach in question is a detriment to the team or the Association. The Board has the authority to remove a coach without the 50% of team parents (each child's family counting as one signature) requirement called for in section 10.2. The method of removal will fall to a simple majority Board vote

11 Code of Ethics/Conduct

11.1 NTSSA Code of Ethics for Coaches (NTSSA 11.1)

This code of ethics has been developed to clarify and distinguish approved and accepted professional, ethical, and moral behavior from that which is detrimental to the development of the sport of soccer. (the term coach shall include, but is not limited to head coach, assistant coaches, manager/trainer and/or team representative.)

Article I Responsibilities to Players

1. The coach must never place the value of winning over the safety and welfare of players. Winning should be the result of preparation and discipline with emphasis placed on the highest ideals and character traits.
2. Coaches shall instruct players to play within the written laws of the game and within the spirit of the game at all times.
3. Coaches shall not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players.
4. Coaches should not tolerate inappropriate behavior from players regardless of the situation.

5. Demands on player's time should never be so extensive as to interfere with academic goals and progress. Motivation for excellence should include academics as well as athletics.
6. Coaches must never encourage players to violate NTSSA recruitment, eligibility, or guest player rules and policies.
7. Under no circumstances should coaches authorize or encourage the use of medicinal or performance enhancing drugs. Players should be directed to seek proper medical attention for injuries and to follow the physician's instructions regarding treatment and recovery. At no time should a player be put at risk by returning from injury prematurely or by being forced to play while injured.

Article II Responsibility to NTSSA and Member Associations

1. Adherence to all NTSSA and Member Association Rules and Policies, especially those regarding eligibility, team formation, recruiting, and guest players are mandatory and should never be violated. It is the responsibility of every coach to know and understand these rules.
2. Player development and the growth of the player through participation is essential to the growth of the sport. Additionally, the coach must behave in such a manner that the principles, integrity, and dignity of the sport are maintained.
3. Any problems that cannot be resolved between coaches should be referred to the GRSA Board of Directors immediately.

Article III Responsibility to the Laws of the Game

1. Coaches should be thoroughly acquainted with and demonstrate a working knowledge of the laws of the game of soccer. Coaches are also responsible to ensure that their players understand the intent as well as the application of the laws.
2. Coaches must adhere to the letter and spirit of the laws of the game. Those coaches who circumvent the rules to gain advantage have no place in soccer.
3. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.
4. If coaches permit, encourage, or condone performance which is not in the letter or spirit of the laws, they are derelict in their responsibility to players, member association, NTSSA and the sport worldwide. The coach must strive constantly to teach good sporting behavior.

Article IV Responsibility to Officials

1. Officials must have the support of coaches, players, and spectators. Criticism of officials undermines their purpose in the game. Coaches must always refrain from criticizing officials in the presence of players.
2. Coaches should strive to develop a line of communication with officials, giving

each an opportunity to better understand the problems relating to their specific area. This section shall not be taken as an encouragement to debate referee decisions during the match.

3. On game day, officials should be treated with respect before, during, and after the game. Officials should be addressed as "Referee", or "Mr./Ms. Referee" and not by name. Professional respect should be mutual and there should be no meaning dialogue or gesture between official, coach, or player. Coaches must not incite players or spectators or attempt to disrupt the flow of play.
4. Comments regarding an official should be in writing to the appropriate organization assigning the official.

Article V Responsibilities Regarding Scouting and Recruiting

1. It is unethical to scout any team, by any means whatsoever, except in regularly scheduled games.
2. The use of video tape or motion picture equipment to scout an opponent's regularly scheduled games for the purpose of recruiting is unethical.
3. All NTSSA rules pertaining to recruiting shall be strictly observed by the coach, manager, or any team representative.
4. It is unethical to recruit player(s) actively playing for another team.
5. It is unethical for a player to be recruited or enticed from the Olympic Development Program (ODP) setting, either by his ODP coach or any other coach, manager, parent, or team representative.
6. When discussing the advantages of his/her organization, the coach has an ethical obligation to be forthright and refrain from making derogatory remarks regarding other coaches, teams and organizations.
7. It is unethical for any coach to make a statement to a prospective athlete which cannot be fulfilled; illegal to promise any kind of compensation or inducement for play; and immoral to deliver same.
8. Allegations of illegal or unethical recruiting are very serious and should be based on concrete facts rather than hear-say and innuendo. While documentation of recruiting violations is essential, the use of video tape and other electronic equipment is discouraged.

Article VI Responsibility of Public Relations

1. Coaches have a responsibility to promote the game of soccer to the public. Comments and critiques of governing bodies, teams, coaches, players, parents, or the media should be positive and constructive, never prejudicial or inflammatory.
2. When asked to give recommendation concerning team, camp, coach, or organization, it is in the best interest of all concerned if no less than three referrals are given in order to provide a professional unbiased source of

information.

3. Coaches have the responsibility to assist their players in conducting themselves properly when in public while representing their team, member association, and NTSSA.
4. Publicly predicting a win is folly and serves no useful place in a coach's public image.
5. Comments stressing injuries, team, personnel conflicts or disciplinary problems as an excuse for a loss or unsuccessful endeavor are detrimental and should be avoided.
6. It is unethical for a coach to solicit alumni, parents, booster club, or managers to pressure organizations, member association, or NTSSA to alter established rules. The coach must not attempt to influence these organizations in political or financial dealings outside the framework of their own rules and bylaws.
7. The media should be allowed access to the players for comment. Players should be instructed in how to conduct themselves during an interview.

Article VII Game Day and Other Responsibilities

1. A coach's behavior must be such as to bring credit to himself, his organization, and the sport of soccer. This is never more evident than on the day of the contest.
2. Rival coaches should meet prior to the game and exchange friendly or professional greetings. While the concept of rivalry is wholly embraced, it cannot take precedence over exemplary professional conduct.
3. During play, coaches have a responsibility to be as inconspicuous as possible. Coaches shall exhibit a respectful attitude towards players. The coach must confine him/herself to the coaching area. The attitude of the coach towards officials, spectators, opposing players and coaches should be controlled and undemonstrative.
4. It shall be unethical for a coach to have any verbal altercation with an opposing coach or bench during the game. Hostile physical contact with a player is considered highly unethical.
5. The coaches foremost post game responsibility is his/her team.
6. Coaches should use their influence on unfriendly spectators that demonstrate intimidating behavior towards officials and opposing teams.

11.2 Parents Code of Conduct (NTSSA 11.2)

- 11.2.1 Parents should remember that children have more need of example than criticism.

- 11.2.2 Attempt to relieve the pressure of competition, not increase it. A child is easily affected by outside influences.
- 11.2.3 Be kind to your child's coach and officials. The coach is a volunteer, giving up their personal time and money to provide a recreational activity for your child.
- 11.2.4 The opponents are necessary friends. Without them your child could not participate.
- 11.2.5 Applaud good play by your team and by members of the opposing team.
- 11.2.6 Do not openly question an official's judgment and honesty. Officials are symbols of fair play, integrity, and sportsmanship.
- 11.2.7 Accept the results of each game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.
- 11.2.8 Remember your children are involved in organized sports for their enjoyment.
NOT YOURS.
- 11.2.9 Encourage your child to always play by the rules.
- 11.2.10 Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
