INSPIRATIONAL

*This episode of INSPIRATIONAL features a “True Story” from the life of
Mr. Saim Salik Khan (HR Adept, Recruitment Manager - BYJU's).*

“I found myself imprisoned again in the same location

Shackled and laden in the lockup of expectations

Anchored by these, you're drowning in the ocean of ambition

Struggling with this condition you face deficit in liberty respiration

What would you do if kin-ties was your only ammunition?

And seeing them proud and joyful was your only motivation?

Are you thinking it's worth it? And dock at bay with submission?

It's was a tough call, be a CA, a doctor or an IITian said all

Listening to them was slaughtering my ambition on the altar of downfall.

With my denial to their plans for me, I stood alone facing a swelling snowball

It was a tug of war, a noisy brawl but the fire of my passion burnt the cold wall

My dreams were my ammunition and I was intoxicated with passion alcohol

On the eerie and abandoned road I took a stroll in the HR career hall

When I am successful now all their doubts are sucked in a shameful blackhole.

Your life is your own, to make errors, learn, to break it or make it.

If you've got the zeal and fire in your belly don't permit yourself to submit.

This is my story of choosing a career in HR. When the odds were against me yaar.”

INSPIRATIONAL isn't it?
