To Whom It May Concern:

It is a pleasure to have been asked to write on behalf of Addison Seymour. I had the honor of being her club volleyball coach for the 2022-2023 season. I began coaching for Texas Eclipse Junior Volleyball in 2011 and have coached many athletes over the years. I have seen few that seem to possess the same intensity and competitiveness that Addison shows.

Addison is dependable, devoted, coachable, and trustworthy. She always arrived early and was fully prepared for each practice and tournament. She was always eager to help out in any way she could. Her focus and determination to be her best was unparalleled and recognized. She responds with courage and intensity when a challenge is presented and does not turn away from pressure.

Addison exhibits outstanding initiative. I could always count on her to volunteer, answer questions and share ideas. She would always set a good example for those around her. She distinguished herself by her hard work, on and off the court earning respect from her teammates and coaches.

The love and commitment Addison has for the game of volleyball is undeniable. Whether or not she was on the court or on the sideline, her intensity and positive encouragement to her teammates remained the same. She would put the team above herself and always see the cup half full.

In conclusion, I strongly recommend considering Addison Seymour on your team. She has established a reputation as a diligent, results-driven, and ambitious individual who consistently strives for excellence. I am confident that she will dedicate herself wholeheartedly to your program, driving it to achieve its full potential.

If you have any questions or if I can be of any other assistance, please let me know.

Sincerely,
