## **SHOE-A-PALOOZA**

With your help, the Booster Club collected roughly 425+ pairs of shoes that were shipped across the globe via our partner, Soles4Souls. Special thanks to the school, The Lincoln Park Farmers Market and Raising Canes for allowing us to have collection bins at their sites.

## **MERIT SCHOLARSHIPS**

The Booster Club is excited to announce the launch of its first Merit Based scholarship program for graduating seniors at LPHS.

The objective is to recognize and reward graduating seniors for their dedication, leadership, and community involvement beyond just grades, consistent with the school's mission to cultivate successful, empathetic, and well-rounded individuals.

Stay tuned for more details in January 2026.

## **SCOREBOARDS**

The Booster Club purchased two new scoreboards & shot clocks that were installed this past fall. If you own a business or know of a business owner that might be interested in a branding opportunity on the new scoreboards then reach out to:

## **CASINO NIGHT II**

Our 2nd Annual Casino Night at Stanley's was a smashing success. From the great food (did you see that charcuterie tray?), great people and great community fun! Thanks to all that attended the event as we had close to 120 people.

Thanks too to those that supported our efforts with gift donations or became a donor of the Booster Club. See you next November for Casino Night III! And don't forget to support our sponsors: [Casino Night Sponsors](#)

## Super Bowl/March Madness Square Pools

Stay tuned for more information on our pools for both events. The SB Pool will kick-off the second week of January. Our format for both SB & MM are different than traditional square pools with more winners and more ways to win. Proceeds will go directly to funding our scholarships in the spring. And if you're interested in being a "Title" sponsor for either pool then reach out to: [keith@lphslionsbooster.com](mailto:keith@lphslionsbooster.com)

## Donate to the Booster Club

Can't dedicate your time but still want to give back? We understand and can appreciate that not everyone is able to volunteer their time; therefore, we provide the opportunity to participate through donations at a variety of levels.

The LPHS Booster Club supports these essential needs by funding clubs and teams through the Athletic Department & EC's direction and relying on donations, fundraising participation and community engagement.

This past year, the Booster Club expanded its scope to include significant school-wide initiatives, such as purchasing the new scoreboards and shot clocks in the gymnasium, along with implementing a video streaming service for athletic games and events.
