

# HOW **STRESSED** ARE YOU?

The Body Is Exposed  
to Excessive Damage  
From Accumulating  
**FREE RADICALS**  
When We Are Not  
Grounded, Creating  
**OXIDATIVE STRESS**

## Test Your STRESS Level Connect to the Anti Aging Bed

- 1 Clip the black meter lead to the Mini Bed
- 2 Turn the Selection Knob located in the center of the meter to "V"
- 3 Press the ORANGE Select button located below the right side of the display to show "AC" on the left side of the screen
- 4 Take one hand and hold the metal end of the red meter lead

The Display reading shows the charge in your body from the accumulation of **FREE RADICALS**

- 5 Place your other hand on the Mini Bed and leave it in place  
The Display will read "0.000", showing that the **FREE RADICALS** have been neutralized, beginning **OXIDATIVE STRESS RELIEF**
