The Emberlight Festival is an annual celebration that produces world-class art within the natural beauty of Michigan's western Upper Peninsula. We collaborate with local, regional and international artists to create affordable, life-enhancing experiences that spark imagination and ignite learning in our audiences and communities.

Emberlight is committed to representing musicians, artists, filmmakers, dancers, actors, and writers from every diverse background. We have built four pillars to ensure certain events happen each season: International Film Festival, Main Stage, Art In The Park, and our Ambassador program (an exclusive mentorship opportunity for a selective group of young people from across the western Upper Peninsula and northern Wisconsin).

Our inaugural season will feature programming to "Light Your Fire" and will be August 26 – September 5, 2021 in Ironwood, Michigan. This season will be headlined by the stars of Broadway's Wicked and The Metropolitan Opera on our Main Stage, and includes three art shows, free community events, and the world premiere of Dirk Wierenga's documentary "Route 2 Elsewhere," which tells the stories of Ironwood and other small towns across a 1,500 mile stretch of US Highway 2.

Supported by the Michigan Council for the Arts and Cultural Affairs and the National Endowment for the Arts and Arts Midwest
