Chris Hindle Launches Arizona Congressional Bid

“Current representation is failing to provide real prosperity for our working class, failing provide safe neighborhoods, & failing to take care of those in our community who need help the most in a timely & affordable manner.”

“For too long, Democrat representation has neglected urban areas. With approval ratings of our current congressional representatives at all-time lows, we can no longer tolerate mediocrity from incumbent leadership.”

Long time Arizona resident Chris Hindle is seeking your support in election for Arizona Congressional District #7.

“Have you looked around only to realize that all you have left is hope? Well, I've got news for you. Hope isn't a plan. I will execute a game plan to return prosperity to both the working class & small business owners in urban areas, while addressing healthcare & education. I am committed to providing Legendary Representation.”
