It is celebration time for AJ's Getaway RV Park. After 2 long years of building their Campground, AJ and Machele James are finally ready to open to the Public! AJ's Getaway is a short term, family Campground that is open to RV camping only. With 43 full hookups for 30/50-amp electric, water, and septic, this is a great place for a short getaway from the heat of the Valley. The average site is 70ft wide x 90 feet long and most sites have trees, and all sites have picnic tables and a fire pit. They will rent propane fire rings for those NO BURN nights, and they have easy access to trail riding right off Buckskin Rd. If you would like to join the Chamber of Commerce for a special ribbon cutting, please join them at 11:00 am on Wed, June 30th for a tour of the Campground as well as sweet treats for everyone!
