

Inbound Sales and Customer Service Opportunity with a Leading Credit Repair Company.

Provide customer service from home for the nation's leading home improvement retailer through Remedy Credit Pro's® Platform! If you love interacting with new people, and helping others while earning income, then this is a great opportunity to put your customer service abilities to work!

As an upcoming reputable credit repair agency this is a great opportunity for to take advantage of especially during this pandemic. Taking inbound sales or fielding customer service calls puts you in touch with like-minded consumers, professional prospects, and the ability to educate consumers about credit repair as well.

What to Expect from this Opportunity with a credit repair company

- Assisting customers with product questions
- Placing new orders on products or enrolling clients into our credit repair program
- Provide specific services depending on experience
- Contacting prospects for follow-up reviews

By using our platform, it puts you in charge of your schedule, your hours, and yourself! As your own boss, you can work from home, avoid the commute and get paid to enroll others into our work from home program as well. This means you will have the potential to be paid twice! This happens all by enrolling into our work from home program TODAY!

Benefits of working from home using our platform:

- Be your own boss, and work from home
- Schedule your work around your life, not the other way around
- Earn extra money for vacations or escape the 9-to-5
