**Local Business Owner Matthew Johnson Named to NSBA Leadership Council**

**Daytona Beach, FL** – Matthew Johnson, Johnson Engineering & Design LLC, Daytona Beach was recently named to the National Small Business Association (NSBA) Leadership Council. NSBA is the nation’s oldest small-business advocacy organization, and operates on a staunchly nonpartisan basis. Johnson, a recognized leader in the small-business community, joins the NSBA Leadership Council alongside other small-business advocates from across the country as they work to promote the interests of small business to policymakers in Washington, D.C.

“As a small-business owner, I see daily the importance of being involved and active when it comes to laws and regulation,” stated Johnson. “Joining NSBA’s Leadership Council will enable me to take our collective small-business message to the people that need to hear it most: Congress.”

We are a new mechanical engineering simulation consulting group based in Daytona Beach, FL with of highly qualified and experienced mechanical engineers who provide top-notch simulation and design services to businesses and individuals. Our expertise in mechanical engineering spans across a wide range of industries, including aerospace, automotive, biomedical, energy, manufacturing, and more. We leverage our knowledge and skills to help our clients solve complex engineering problems and provide innovative solutions to optimize their mechanical systems and processes. More information on capabilities for Johnson Engineering & Design can be found in D-U-N-S® Number: 130320973 CAGE Code: 9PEX0, NAICS: 541420, 541330, 541340, 541512, 541715, 335210, 541430.

Johnson joined the NSBA Leadership Council as part of his efforts to tackle the many critical issues facing small business, including tax reform, regulatory restraint, health care costs and how access to capital will impact small business. The NSBA Leadership Council is focused on providing valuable networking between small-business advocates from across the country while ensuring small business a seat at the table as Congress and regulators take up key small-business proposals.

“I am proud to have Matthew Johnson as part of our Leadership Council,” stated NSBA President and CEO Todd McCracken. “He came to us highly recommended and I look forward our coordinated efforts for years to come.”
