VENDOR SUGESTION

It would be most appreciated and beneficial to vendors to contribute a prize. Prize contributing vendors may also qualify to waive sponsorship fee if a service is provided on the day of the event. Prize should be a free-standing prize that does not require a purchase. Although vendors may give out coupons, **discount coupons or prizes with requirements are not acceptable.**

PRIZE SUGGESTIONS: Include items that truly represent your business and will make a guest want to visit your booth. Be specific on your prize form. Have a deadline for redeeming the prize certificate but be flexible. You may have a “typical” prize on display in your booth but for best results have the guests come to visit you after the event to pick it up. This would give you another opportunity to promote your products or services.

About The Event: We are [Doors Of Hope Gala Fundraiser](#) and are conservatively expecting about 120+ people. We offer limited vendors per category as well as utilize an open concept booth display to bring your services to life. We encourage all exhibitors to create a festive atmosphere as one would for "a night on the town" relative to audio and visual displays (music, food, lighting, etc.). There will be a DJ, live music, gourmet dining, drinks, silent auction and live auction activities to engage the event guests. The activities would include but are not limited to door prize drawings, and some special event showcases to name a few. In order to ensure that the event is well coordinated, we strive to maintain active communication for the duration of the planning and execution of the event.

We are redesigning [Doors Of Hope Gala](#) to always include vendors in an effort to foster greater community interaction. Hence, first time vendor fees for [Doors Of Hope Gala 2022](#) is only \$250! The fees cover 1 entrance and full access to the celebration (full access= entry, food/drinks and door prize entry ticket) along with 1 table and 2 chairs. Vendors with multiple staff, please contact us for special details. Our low booth cost gives the opportunity for a good return for your investment. Thus, we have established a Vendor Frequency Program to offer Exhibitors an opportunity to earn a free booth. As an exhibitor, to have the best display will also earn one a 50% discount on booth fees during our next event. Our goal is to fill the venue with guests, vendors and sponsors as well as give vendors one on one consultation with guests while having fun. Most importantly, our goal is also to help raise funds for our foundation while producing an event to ensure a positive experience for all attendees from start to finish. Another plus about being a vendor at our event is a great marketing opportunity. As an event participant, one's business gets a free basic listing in the event book which gets featured on our website and goes in circulation for about 3 months. However, vendors may purchase a color ad which will also be featured on our website as well as in the show book. A business can also increase their visibility by being a sponsor of [Doors Of Hope Gala](#) annually.

Please, review the attached application and return via email to info@selectrosiefoundation.com. For more information about the event please visit us on the web at selectrosiefoundation.com and scroll to the "Doors of Hope Gala" then click on "I am A Vendor", also, you may contact Constance Longo at (972) 815 6001 or me at (817) 891 2172 or email info@selectrosiefoundation.com. For your convenience, a vendor application "Doors Of Hope Gala" is attached.

See You At The Event!
