ARTICLES VI – Covenants for Maintenance Assessments

Section 1. Creation of the lien and personal Obligation of Assessments. The Declarant, for each lot owned within the Properties, hereby covenants, and each Owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association; (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs, and reasonable attorneys' fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the Properties and in particular for the improvement and maintenance of the Properties, services and facilities devoted to this purpose and related to the use and enjoyment of the common Area and of the homes situated upon the Properties.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the Year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment shall be Forty Dollars (\$40.00) per lot, per month, for Class A members.

(a) From and after January 1 of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (Published by the Department of Labor, Washington, D.C.) for the preceding month of October.

(b) From and after January 1 of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment may be increased above that established by the Consumer Price Index formula by a vote of the members for the next succeeding three (3) years and at the end of each such period of three years, for each succeeding period of three (3) years, provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) After consideration of current maintenance costs and further needs of the Association, the Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have

the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis.

Section 6. Quorum for Any Action Authorized Under Section 3 and 4. At the first meeting called, as provided in Sections 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 3 and 4, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments. Due dates. The annual assessments provided for herein shall commence as to all lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment herein stated to have been paid.

Section 8. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent if the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, and interest, costs and reasonable attorneys' fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first deed of trust. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot which is subject to any mortgage, pursuant to a decree of foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) all properties dedicated to and accepted by a local public authority;
- (b) the Common Areas;
- (c) all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Virginia. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.
- (d) all lots owned by Declarants which are not occupied as a residence.

ARTICLE VII – Party Walls

Section 1. General Rules of Law to Apply. Each wall is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire of Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the other under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act caused the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrator shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

(10) The Board of Directors may elect, in its sole discretion, to have the Association assume such maintenance responsibilities with respect to those portions of the front and side yards of the lots that are visible to the public as the Board may deem necessary or appropriate, including, without limitation, responsibility for mowing, fertilizing, trimming, pruning and/or otherwise maintaining all or any portion of the grass, shrubs, bushes, trees and other planted materials, and any replacements thereof, as may be located within those portions of the front or side yard areas of the lots that are visible to the public.
