

Getting to Know Your Elected Officials:

A Prerequisite to Voting in Future Elections

The purpose of this article is to provide you with the information you need to approach the ballot box with confidence next time we have a national or local election. The information provided here includes who your elected officials are and how to reach them.

Getting Started

If you are new to Pine Ridge you will need to know and do some things in advance so that when election time rolls around you are ready to vote.

Throughout the United States there are only three criteria for voting:

- ✚ You must be a U.S. citizen,
- ✚ At least 18 years old, and
- ✚ You must have been a resident for at least 30 days in the state where you plan to vote. You must also register using your current address [if you have not done so in previous years] 30 days in advance of the General or Primary elections and 13 days before Special elections.

A handy website for obtaining all the information you need in order to vote is provided by the Virginia Department of Elections at: <https://elections.virginia.gov/index.html> . Some of the things you can do here are:

- Check your voter registration information
- Find your polling place
- Apply for an absentee ballot
- Identify photo ID requirements
- See what's on your voting ballot
- See a list of upcoming elections and their registration deadlines
- Obtain info on how to become a candidate

How Our Government is Organized

After you are familiar with the general voter information and deadlines that would enable you to vote, it is useful to gain some perspective on:

- how the federal, state, and county governments are organized
- how we in Pine Ridge fit into the overall structure and
- why Pine Ridge residents vote at four different polling places.

(Get to know the names of the officials below - **they represent you**. We encourage you to contact them directly regarding issues that concern you. Full contact information for these officials is available at:

Why Pine Ridge Residents Vote at Different Polling Places

Voting precincts determine a voter's ballot composition and polling location. Voting precinct boundaries take their shape from the boundaries of all political districts, including U. S. Congress, State Senate, StateHouse, School Board District, local council districts, special districts etc. However, voter precincts must be drawn so that they contain less than the maximum number of voters as specified by state law.

The chart below and the four maps that follow show the four Voting Precincts in Pine Ridge.

VOTING PRECINCTS IN OUR PINE RIDGE COMMUNITY

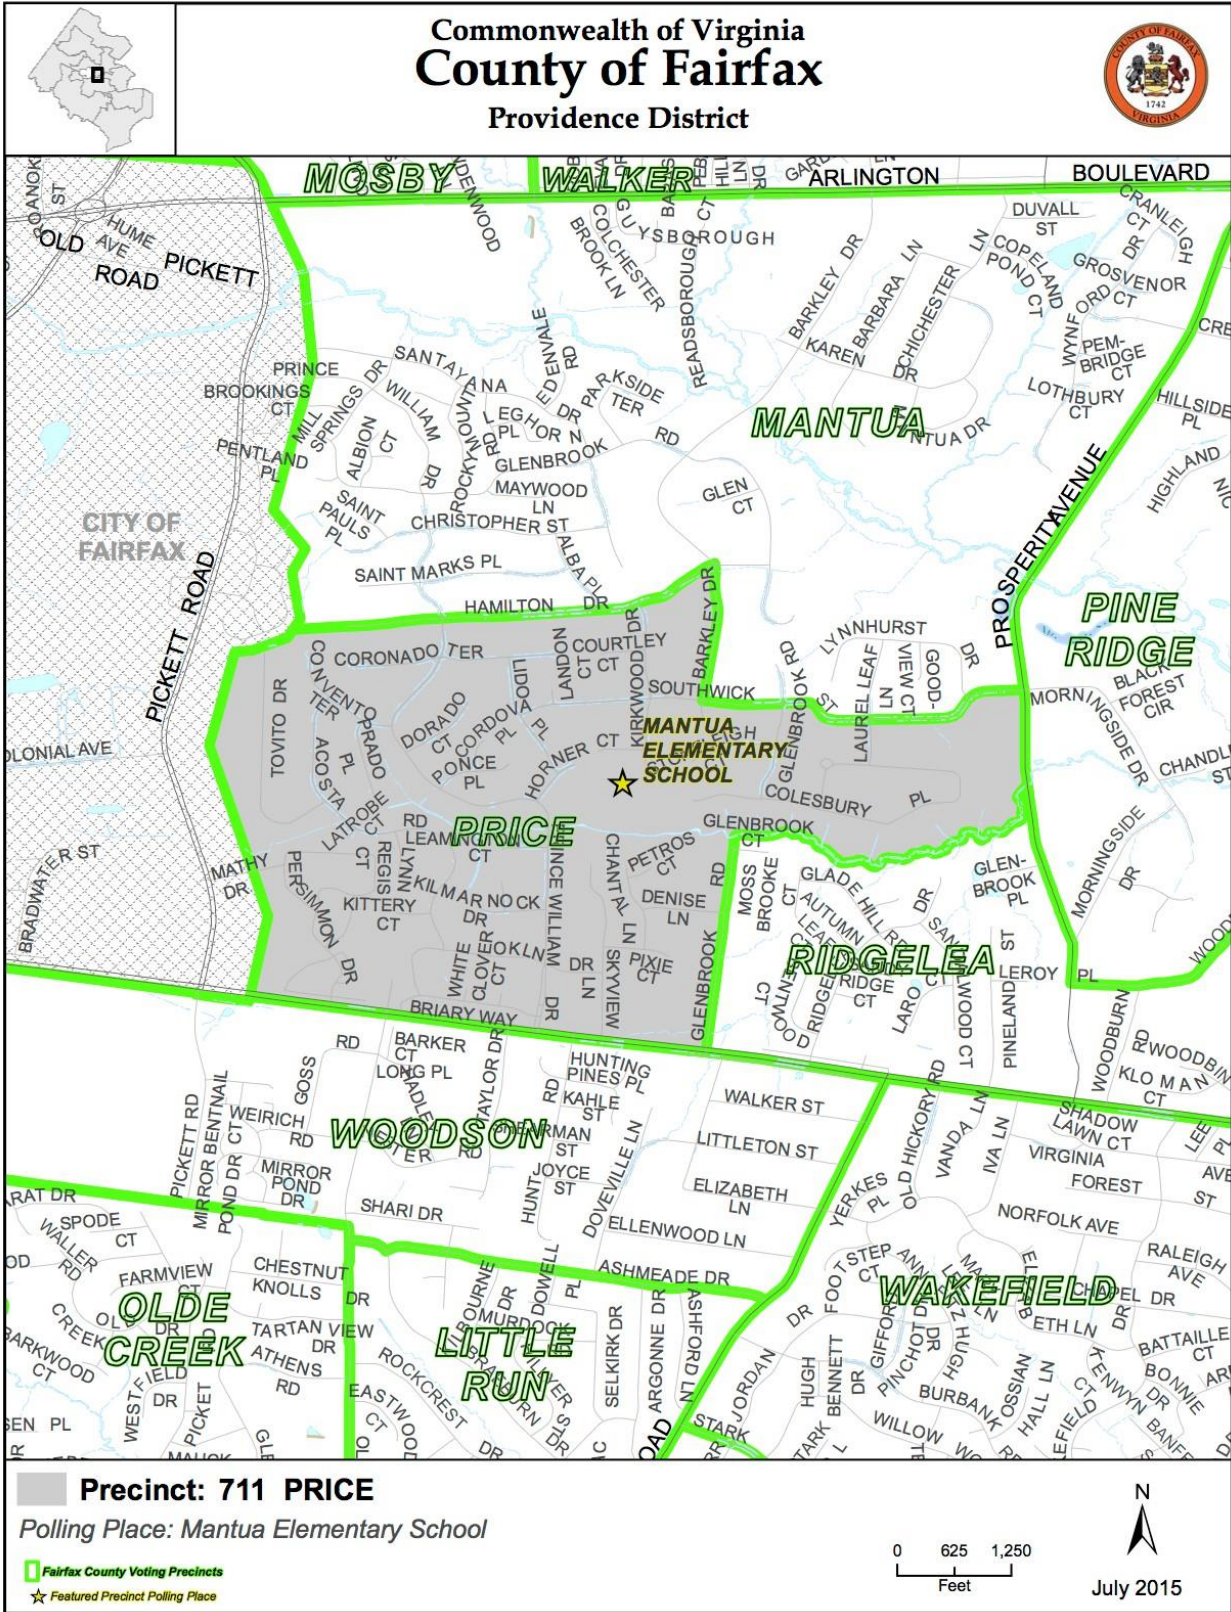

| Voting Precinct # and Name | Location on neighborhood map | Polling Place |
