

New Dance Season!

We are so excited to see our new and returning dancers next week! Classes begin Monday, August 19th. Schedules were emailed at the end of July with teacher and room assignments. Any changes to your schedule must be made thru the office. Please update your dancers school and medical info in your Customer Portal, including grade level, t-shirt size and photo if they do not have one. Photos are the best way for teachers to identify your child and learn names quickly!

Please be patient and allow plenty of time for your dancer to get to classes the first few weeks. We will be emailing our drop off and pick up procedures before dance starts to make this as smooth as possible. All of our studio floors were refinished over the summer. *Please do not let your dancer wear their dance shoes outside, especially tap shoes!!* All dance shoes need to be marked with your child's name.

We can't wait for Season 79! Happy Dancing Ahead!!
