## Bring a Friend!

We had an amazing first two weeks with our dancers! We have lots of exciting things planned in the months to come, including Bring a Friend Week! We are looking forward to sharing our love of dance with Friends, September 18-21. Dancers may bring ONE friend to class this week. It works best if they are around the same age. Friends do not need to have dance attire- just comfortable clothes/shoes they can move in. If your dancer is not able to bring a friend, they can bring a favorite stuffed animal or doll as their friend this week. Our studio will be more crowded than usual and we appreciate your patience! Please allow plenty of time for drop off/pick up. The Bowling Lanes parking lot next door can also be used as overflow parking. There are step stones between the two buildings. This is always a fun week that dancers and teachers look forward to each year. Happy Dancing Ahead!
