

### Limited Warranty

J & J Global (Seller) warrants to the original Buyer only, that each product will be free from defects in material and workmanship for a period of one (1) year from date of purchase. SELLER'S SOLE OBLIGATION AND BUYER'S EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY SHALL BE THE REPAIR OR REPLACEMENT OF PARTS, WITHOUT CHARGE, WHICH ARE DEFECTIVE IN MATERIAL OR WORKMANSHIP. ANY PARTS AS DETERMINED BY THE SELLER WHICH HAVE BEEN MISUSED; ABUSED OR DAMAGED EITHER DIRECTLY OR INDIRECTLY FROM REPAIRS OR ALTERATIONS ATTEMPTED BY UNAUTHORIZED PERSON; IMPROPER MAINTENANCE, NEGLECT OR ACCIDENT ARE NOT COVERED BY THIS LIMITED WARRANTY. This warranty does not apply to damage, heat-induced coloration changes, scratching or alteration due to normal use or weathering. To make a claim under this Limited Warranty, email [contact@ezreplacement.com](mailto:contact@ezreplacement.com) or visit [www.ezreplacement.com](http://www.ezreplacement.com) for warranty questions and claims.

#### Additional Limitations

THIS LIMITED WARRANTY DOES NOT APPLY TO ACCESSORY OR CONSUMABLE ITEMS RELATED TO THIS PRODUCT. ALL IMPLIED WARRANTIES SHALL BE LIMITED IN DURATION TO ONE (1) YEAR FROM DATE OF PURCHASE. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LIABILITY FOR LOSS OF PROFITS, ARISING FROM THE SALE OR USE OF THIS PRODUCT.

If any provision of this Limited Warranty is for any reason held to be invalid or unenforceable, such provision shall not affect any other provision herein, this Limited Warranty shall be construed as if such invalid and/or unenforceable provision had never been contained herein. This warranty gives you special legal rights, and you may also have other rights which vary from state to state. This warranty contains the entire agreement between Seller and Buyer and supercedes any and all prior agreements, arrangements, or understandings between the parties relating to product warranty.

U.S. Patents No.: 6,612,713; 7,753,546; 8,069,868; 8,375,966; 8,727,555; 8,794,781

## 9 Ft. Solar Lighted Patio Umbrella

Model Nos: 801032, 801033

Read the instructions and precautions before use of this product

Please keep this instruction manual for future reference

For warranty information, please refer to the back page of  
this instruction manual.

## GENERAL SAFETY RULES

**⚠ WARNING! Read all instructions.** Failure to follow all instructions listed below may result in serious injury.

- Shade umbrella must be used with a heavy weighted stand (not included), and table capable of firmly securing the Umbrella.
- Umbrella is intended for sunshade and decorative purposes only – do not use this product in strong wind, rain or storm conditions. Doing so may cause personal injury and/or damage to the umbrella and personal property.
- Always take the umbrella down during high or gusting wind and rain, when not in use and in the off-season. Failure to do so may result in personal injury and/or property damage.
- Keep children away from umbrella during assembly and operation. Do not let children play in or around this product unsupervised.
- Use caution when moving this product. For safety, lower the Umbrella before moving.
- Do not use this product for other than intended use.

### ⚠ CAUTION

- Use AA size rechargeable batteries only.
- Do not mix old and new batteries.
- Do not mix Alkaline, standard (carbon/zinc) or rechargeable (Ni-Cd or Ni-Mh) batteries.
- Replace old batteries with new ones of the same rating.
- Reference polarity direction inside battery compartment.
- Allow batteries to charge for at least 8 hrs. in full sunlight with the ON/OFF switch in the OFF position.

### SAFETY RULES FOR RECHARGEABLE BATTERIES

When replacing batteries make sure the batteries are inserted in the correct polarity position (+/-), as indicated in the battery compartment. Failure to insert the batteries in the correct polarity position may shorten the life of the battery or cause the battery to explode.

Do not throw Li-Fe batteries into water!

Do not discard batteries in household waste. Please dispose of used batteries properly. Consult your local telephone listings for a battery recycling centre near your area.

Do not allow Li-Fe batteries to freeze.

Protect Li-Fe batteries against heat and fire due to risk of explosion.

Recycle

**Battery Replacement**

The rechargeable batteries come preinstalled from the factory. The batteries are located inside the battery compartment

- 1. (SEE FIGURE 7) Remove battery compartment (A) from top of umbrella, turn counter-clockwise to unlock and separate.
- 2. Carefully unplug connector plug from battery compartment receptacle.
- 3. Remove both battery compartment covers.
- 4. Remove and replace old batteries with new rechargeable batteries of the same rating.
- 5. Install new batteries in proper direction, referencing polarity (+/-) markings for correct placement and replace the compartment covers.
- 6. Refer to section entitled "Charging Rechargeable Batteries" to restore solar lights to full operation.

Save these Instructions.

**PARTS LIST**

PART #	DESCRIPTION	QUANTITY
A	Battery Compartment	1
B	Upper Umbrella Assembly	1
C	Lower Umbrella Pole	1

**Parts Detail**

Carefully remove the contents from the package. If any parts are missing do not attempt to use the product until they have been obtained and correctly installed.

**ASSEMBLY INSTRUCTIONS**

**CAUTION:** DO NOT INSERT END OF UMBRELLA POLE INTO THE GROUND. The solar umbrella is designed to be used with an umbrella stand (not supplied).

**Attach Solar Battery Compartment Assembly**

- 1. (SEE FIGURE 1) Position battery compartment (A) at top of umbrella (B).
- 2. Insert connector plug attached to umbrella into receptacle located on battery compartment.
- 3. Insert battery compartment stem into top of umbrella. Turn battery compartment clockwise to lock and secure.

Figure 1

### Attach Umbrella to Umbrella pole

1. (SEE FIGURE 2) Align hole at end of umbrella (B) with push button at top of Lower Umbrella Pole (C).
2. Depress push button and insert Umbrella into Lower Umbrella pole until push button locks.
3. Place the umbrella upright in a heavy weighted stand (not included), and table capable of firmly securing the Umbrella.

## OPERATING SOLAR UMBRELLA

### How to Turn Solar Lights On

1. (SEE FIGURE 3) Once the batteries are fully charged, place the power switch to the on "I" position.
2. Refer to section entitled "Charging Rechargeable Batteries".

**NOTICE:** Set switch to off "O" position when solar lights are not needed.

### Adjust Umbrella Up or Down

1. (SEE FIGURE 4) Using the crank handle, raise umbrella to desired height. Turn crank handle clockwise to open the umbrella.

### Adjust Tilt Angle of Umbrella

1. (SEE FIGURE 5) Hold the umbrella pole above the tilt button, and press the tilt button inward.
2. With the tilt button pushed inward, move umbrella to desired location, then release button to lock in position.

### Charging Rechargeable Batteries

**NOTE:** The rechargeable batteries are preinstalled from the factory. Before operating, the batteries need to be fully charged. The batteries require at least 8-hours of full sunlight to charge.

1. (SEE FIGURE 6) Verify power switch is in the off "O" position.
2. Place the fully assembled solar umbrella in full sun, where it will receive direct sunlight for at least 8 hours per day.

**NOTE:** The number of hours light is illuminated is directly proportional to the number of hours of sunlight it receives. The solar panels cannot recharge the batteries if light is obstructed.

### Care Instructions

1. Gently clean solar panels and LED's with a soft cloth. Do not use abrasives or chemicals to clean solar panels. Remove dust and debris using a soft cloth or duster.  
**NOTE:** The panels cannot recharge the batteries if light is obstructed.
2. Rinse umbrella with clear clean water. If necessary, use gentle fabric cleaner, rated safe for polyester fabrics.
