# About CMI Logistics Ltd

At CMI Logistics Ltd we pride ourselves on offering a quality driven and reliable global freight forwarding service. Our qualified, professional and customer focused team have many years experience within the freight industry. We firmly believe that our personal and hands on approach is a key factor to our success, as a result of our ethos we have developed many strong and long term relationships with our customers.

Our Bradford based location is ideally positioned, this central point within the UK offers excellent access to transport infrastructure and means we can effectively distribute cargo to and from all points of the UK, quickly and efficiently.

From a solid foundation we have built a good medium sized freight forwarding business and forged an excellent reputation with UK, European and worldwide organisations. We move all types of cargoes worldwide by road, ocean and air. Whether export/import or movements from one country to another forming cross trade links, we have the knowledge and structure to perform each task.

No consignment is too great or small and at CMI Logistics we have the scope to handle the smallest of parcels or largest forwarding projects. This comprehensive level of services allows us to present a multimodal business to all our customers, regardless of their size. Our administration team completes our business by offering a full international trade package which includes completion of letters of credits, consular documentation and banking presentation.

Here at CMI Logistics we strive for perfection and aim to get things right first time, every time. By adopting this philosophy and offering flexibility, reliability and cost effective options we ensure our customer's needs and requirements are fulfilled. To conclude we can confidently say...

**“When our customers demand service, we deliver”**

# cmi LOGISTICS LTD

CMI Logistics Ltd are extremely proud to have been awarded AEO F (Full) status by HM Revenue & Customs as of 2nd December 2019.

The AEO regime operates under the EU's Union Customs Code and is administered in the UK by HMRC.

The application process is extremely thorough and following a rigorous and detailed audit process, the much-coveted AEO certification reflects the fact that CMI Logistics operate procedures and quality standards which are fully compliant with HMRC's requirements.

It also indicates that our position within the international freight/transport supply chain is secure and that our customs procedures and controls are highly efficient.

On a global scene the World Customs Organisation (WCO) classifies an AEO certified company as complying with WCO or equivalent supply chain security standards.

Being part of the Conqueror Freight Network allows us access to a global reach of independent agents which provides us with a truly worldwide door-door service. The conqueror Network has exclusivity, with CMI being only one of six independent agents in the UK within the network.

Combined, the conqueror network consists of:

**264 Cities**

**143 Countries**

**19,772 Individual Staff Members**
