To Whom it May Concern:

This is a letter of recommendation in regard to Donald Steckey. I have known Donald for a while now. I'm a dentist on staff at Affordable Dentures and I work and interact with Donald throughout the day.

Donald is a skilled and organized worker, one who is dedicated and knows how to apply his technical skills and talents in a positive way. He is respectful and communicates directly and honestly. He has an ability to establish a rapport and connect with people.

If you are seeking an individual who is trustworthy, then Donald is this person. He will work hard and put in the extra effort. As a dentist who has worked with many technicians and staff members, I can confidently recommend him for a position with your company.

Should you have any further questions, please feel free to call me.

Sincerely,

Noel F. Fox
