To Whom it May Concern:

This is a personal reference for Donald Steckey.

I am a retired law enforcement officer, former deputy sheriff, private investigator and fraud investigator. I currently work as a fraud analyst regarding money laundering schemes in securities, funds and trading.

My acquaintance with Donald spans for over fifteen years. He is a man of integrity and capability. He is talented and extremely good within the scope of laboratory work, fabricating partial dentures, as well as being a precision craftsman.

I also know him personally as a friend and as a family man. He is a man whose word is his bond. He is reliable and trustworthy. Donald and I remain great friends, as well as his family.

If I can be of further assistance, don't hesitate to contact me.

Respectfully,

**W. Scott Parker**
