To Whom it May Concern:

My name is Dennis Urban and I am writing this letter of recommendation regarding Donald Steckey. I have known Donald Steckey since 2008. I was his direct Manager at Drake Dental Laboratory.

Donald is a dedicated worker who applied his technical skills and talents in a positive way. He has a knack for connecting and communicating in a direct and honest way and always showing respect to his superiors.

Donald is also very organized. If you are looking for a person who can be trusted and one who will work hard and go the extra mile, then Don is the right person for your company. I have been in the dental business for 37 years and I feel confident recommending him for a position with your company. Please feel free to call me with any questions.

Sincerely,

Dennis Urban
