

THE BUZZ

Loughborough Lightning Lauren Nicholls Training Session ⚡

We kicked off our new season with a fantastic training session led by Lauren Nicholls! 🐝

Lauren spent time with all of our squads, focusing on two key areas that will be vital to our success this season: effective court spacing and clear communication. Through a mix of drills, game-based exercises, and thoughtful discussions, she challenged everyone to think more strategically about how we move and work together on court.

It was brilliant to see players of all levels engaging, learning, and sharing ideas – and now we're excited to put everything into practice as the season gets underway.

A huge thank you to Lauren for sharing her time, knowledge, and expertise with us. It was a great session and the perfect way to launch into another exciting season of Bees!

celebrating Another Incredible Season

September saw us come together once again for one of the highlights of our calendar - the annual Queen Bee's Awards Night! 🐝

It's always a special evening to celebrate everything Bee's have achieved over the past year.

From standout performances on court to the dedication and team spirit across every squad, the night recognises the amazing people who make our club what it is. It was a fantastic way to bring everyone together and celebrate the season gone by 🍷

"The awards night was another triumph by our social team! Well done to all those who swept up our fabulous Queen Bees awards. It was great to celebrate our Bees 🐝 family and their successes throughout the evening. We now go into the 2025/2026 season with 6 teams and an ever-growing strength and depth across the Club. As always, the committee are ready for all the organising that comes with this!"

“Really looking forward to the 2025/2026 season! We have again managed to retain our five competitive teams plus a social one for all our busy bees who like to play as much netball as possible! Hope you all enjoy your time on court and have a successful season. Maybe we can enter even more tournaments than we did last year!”

Carly M, Queen Bee's Head Coach
