

UNIQUE ALUMINUM FENCE™

“If it’s strong, durable, and affordable....it must be **Unique!!**”

Unique (Yu-'nEk) Adj. : Being without like or equal.

By choosing *Unique Aluminum Fence™* you combine the classic lines of iron and steel coupled with the durability and ease of aluminum. Fence contractors with over 25 years of installation experience developed *Unique Aluminum Fence™* and added many features to make the fence stronger and installation easier. Features such as 25" of racking built into every section, heavy duty gate uprights, welded gate frames and pickets, pre-installed gate caps and the best customer service in the industry, make us truly *Unique*. Strong, durable and affordable, these are just some of the words used by professional fence contractors when asked to describe *Unique Aluminum Fence™*. Contact us today to begin your *Unique* experience.

54" Saratoga Pool Code

Don't let bees and wasps make your fence their home. Ask your *Unique* dealer about Bee Stop™.

- Simple to install
- Hidden
- Inexpensive
- Great safety feature

Bee Stop™
Patent Pending

Pool Code Fence

Enjoy the added security of our pool code fence. Our pool code fence features a bottom rail that lies flush with the ground and gates with self closing hinges and a self latching magnetic gate latch. Pool code fencing is available in 54" high. Our Penn National Pool Code

48" Rockingham

fence is 48" high and offers you the benefits of the pool code fence without the additional cost. Our pool code meets B.O.C.A standards. Protect your loved ones and your property with a *Unique* pool code fence.

Magnetic Gate Latch

Lifetime Warranty

Unique Aluminum Fence™ warrants this fence against rust and to be free from defects in materials and craftsmanship for as long as you own your fence. Our finish is a polyester powder coating that is twice the thickness of standard painted finishes. It is extremely durable and resists fading and scratching. Our product will not peel, blister or crack. *Unique* is your best choice when looking for a quality built product with superior longevity. Insist on *Unique*, don't settle for less.
