# JASON PLOTT

## E-AUTOMATE CONSULTANT / RENT A CFO!

## WHY CHOOSE ME?

---

- Worked for E-Automate for 5 years on the help desk, doing database implementations and on site training/ consulting
- 10+ years industry experience as Director of Accounting, Controller and most recently as CFO
- Worked on both sides of Mergers and Acquisitions
- SQL skills for cleanup scripts or advanced data queries

## SERVICES

---

- **Virtual CFO**
  - Too small to justify the costs of a CFO?  
Let me help with month, quarter and year end close.
- **In depth EA database review**
  - "Skeletons in the closet" within your EA database?  
Are your employees properly using EA ?  
Could they use it more efficiently?
- **Mergers & Acquisitions**
  - Cleanup EA database for a sale or an acquisition?  
Export data from EA into excel for analysis?
- **Want to sell your company?**
  - Calculate your Pro forma EBITDA with add backs to achieve your best sale price.
- **Advanced support for when ECI help desk is not helpful**
- **New financial employees or ongoing training**
