THE MUDDY DOG STORY

The family is all about the dogs!

When our family gets together, there are likely as many dogs as there are people. So, it's fitting that the business name is linked to this families love of their canines!

Since moving to Iowa, Darrell swears there is a fifth season that finds itself just before spring and after fall – mud! Thus, the name *MUDDY DOG* was born. You'll find our drink menu with tasty drinks named after each of the family dogs. Pictured below are Hank and Kaylee who were pet rescues. After their passing came Sam (yellow lab), Bella (black lab), and Abby (chocolate lab) – all pictured above. Step out back and you might get the opportunity to meet these kids.

Each of the human kids began building their families beginning with Piper (Havanese), Brooklyn (German Shepherd), and Zoey/Max (German Shorthaired Pointers). We know our dog family will continue to grow as well as the business. Thank you for your patronage. We truly appreciate you and hope you enjoy some of the best food and laughs with friends and family as you visit the Muddy Dog Market & Grill.
