

FAST CAPITAL Business Financing

Flexible, affordable, and streamlined funding for a variety of business needs

- ✔ **We've partnered with a \$3.1 billion direct lender and tech-enabled loan marketplace** to offer a full spectrum of capital solutions for emerging and expanding businesses.
- ✔ **Nationwide lending and most business types are eligible** even those turned down by other lenders due to low credit or other financing barriers.
- ✔ **Funds can be accessed same-day and used for any business purpose** such as to buy equipment or inventory, for working capital, or to consolidate debt.

- \$1,000 to \$500,000+ financing sizes
- No minimum credit score required
- Competitive financing rates with the option to choose from multiple offers and product types
- No minimum revenue required
- No minimum time in business (startups considered for stronger credit profiles with compensating factors)
- No collateral required
- Approvals available in hours and same-day funding possible
- 3 to 120-month financing terms

- One-stop shop financing solutions with a simple automated process and dedicated personal support
- Options available with no prepayment penalties, and fixed or adjustable financing rates
- Multiple financing options available including Term Loans, Credit Lines, Advances, SBA Loans, and Equipment Financing
- Streamlined underwriting including application-only, and bank statement programs
