

Johnson's Radiator Works Price Sheet Effective date: 4/12/2024 Price Sheet No. 11

- All LS applications have 1/4 NPT bung in top tank for steam vent unless specified when ordered
- Part numbers ending in 'T' come with internal transcooler. External cooler is always **recommended** for most applications
BE AWARE INTERNAL COOLERS ARE TOO SMALL TO COOL EFFECTIVELY IN MOST APPLICATIONS
- All air condition radiators proudly wear a Vintage Air™ condensor
- 1932 ford radiators shorter than stock with A/C can only be 2" max with flat bottom, 3" with stock bottom
