

Due to Coronavirus (COVID-19) our office is temporarily closed.

Your mental health is our top priority. Following guidance from the Centers for Disease Control (CDC), we are temporarily closing effective Monday, March 30, 2020 with undermined date of re-opening. All appointments are being converted to telehealth. Our office has made multiple attempts to notify everyone with a scheduled appointment. If you are here for a scheduled appointment, we do apologize we were unable to reach you, please call our office to update your contact information and schedule your telehealth appointment at (719) 301-7731, option 4.
