

FESTIVAL PROGRAMME 2025

----- WELCOME -----

Thanks for coming to the first ever Bishop Sutton Beer Festival. We hope you have a great time.

We've tried to make this an event that will appeal to as many people as possible. Mostly, we just want everyone to have a good time. If we do that then it'll have been a success. However, we're also a charity (The Bishop Sutton Beer Festival Charity to be exact) on a mission to raise money for great local causes. So enjoy yourself and explore our wide array of beers and other drinks, and if you want to buy a few more tokens or even just make a donation, you can do so basking in the warm glow* of knowing your supporting local charities. (*as well as the warm glow from a few drinks!)

If you've come on Friday then you can enjoy pizza from **Pizza Adorare** as well as music from **Muddy Belli** bringing Blues & Country from the muddy banks of the Mississippi to the Avon, and after that we figure we'll put some Oasis from their hayday live in concert on the big screen.

If you've come earlier on Saturday there's a bouncy castle for the kids, and Wales v Scotland on the big screen (KO 2:15), for the later session it's the Calcutta Cup: England v Scotland (KO 4:45) and for the whole thing we've got the kings of Bristol toasted cheese: **For Mice & Men**. Enjoy!

----- WINES -----

Thanks to **Handpicked Wine Box** we've got an excellent selection of wines by the glass.

All wines are 2 tokens per glass...which, when you think about it, is pretty outstanding value especially when paired with that warm inner feeling from knowing that all profits go to charity!

Mañoso Tinto Rioja

Soft expressive berry fruit and morello cherry. Easy drinking and delicious.

Santiago Chilean Merlot

Plummy fruit notes and subtle spice combine in a wonderfully smooth wine.

Mosaica Prosecco

A lively yet delicate prosecco brut, with hints of zesty citrus and green apple.

Blockhead Chenin Blanc

From the Western Cape. Dry & aromatic. Ripe fresh citrus. Tropical fruit.

----- CASK BEERS -----

Full Motueka Jacket (Utopian x Topsham) 4.5% West Coast Pale

No tasting notes for this one as its brand new! You're some of the first tasting it. But we imagine you're getting tropical citrus goodness from NZ's premier hop, Motueka, and a massive juicy nose from those Idaho-7 hops.

Citra (Oakham) 4.2% Single hop IPA

Light gold in colour, bursting with citrus and tropical hop flavours and sensationally refreshing. The original UK Citra, pioneered by Oakham in 2009 and maybe the best single hop IPA ever since.

Crown & Glory (Cheddar Ales) 4.5% Pale Bitter

The closest brewery to our fest, Cheddar's bitter is a blend of English pale ale with crystal and cara malts, and four different hops. Medium bodied with a hint of sweetness.

Jaipur (Thornbridge) 5.9% IPA

With over 100 worldwide awards, its hard to beat this giant, citrus dominated IPA. Its immediate impression is soft & smooth yet builds to a crescendo of massive hoppiness accentuated by honey. An enduring, bitter finish.

Hop Angeles (Otley) 4.8% Red Ale

American Red with balanced malt hop body. Resinous aromas of pine and herbs.

North to the Future (Bristol Beer Factory) 5.0% Dual Hop American Pale

Pouring a pale gold and double dry-hopped with one of brewing most sought-after hops: Denali (aka Nuggetzilla); full-frontal USA hop flavours with Denali bringing a rich pineapple and citrus used in collaboration with Centennial

Budding (Stroud Brewery) 4.5% Organic English Pale Ale

Balanced, Zesty. Floral. A sweet pale ale, late hopped for a luscious floral aroma. Their biggest selling beer, named for Edwin Budding of Stroud, who invented the lawnmower.

Bissoe (Verdant) 5.3% Traditional IPA

From the princes of Penryn, the kings of cans, a rare cask. This is Verdant's take on a traditional English IPA. Golden Promise and caramalts combine to provide a characterful base for Harlequin & Cascade hops to shine.

South Coast (Brighton Bier) 5.0% US IPA / USPA

Brighton's OG in the South Coast IPA category. Ekuanot, Chinook and Columbus hops on show. Their signature cask IPA since 2012.

Thrills (Bristol Beer Factory) 4.3% Aussie Pale

Single Hop Pale Ale with the multi-faceted Aussie hop: Ella, known for its subtle notes of floral and spice in small quantities and more tropical flavours in higher quantities. This beer shows off the hop in all its complex glory!

Joy of Sesh (New Bristol Brewery) 4.2% IPA

A simple malt bill with Maris Otter and oats for that lovely mouth feel, then packed Mosaic and Citra. Expect tropical, citrus, stone-fruit notes. A super sessionable IPA.

Revival (Evening Star) 4.8% American Pale Ale

A rare collab between Downlands and Evening Star. Characterized by floral, fruity, citrus-like, piney, resinous American hops, a classic American pale ale is a medium-bodied beer with notes of caramel.

Manchester Bitter (Marble) 4.2% Classic Best Bitter

Manchester's best brewery pouring what they call "a fondly-remembered original". Specialty malt gives the deep golden colour and robust base, balanced by crisp bitterness and a floral, lemony aroma.

Valley of Hope (Bristol Beer Factory) 4.2% Northern Bitter

A pale, balanced & bitter pint. Pouring pale golden, malt-forward and packed with pure historic sweet and caramel grain goodness from 80% Heritage Plumage Archer. UK Fuggles adds subtle grass and floral lemon with its evolved Slovenian hop Savinjski Golding taking this over the line with it's true Noble hop stamp.

Yorkshire's Best Bitter (Rooster) 3.8% Modern Best Bitter

Biscuity malt characteristics and delicate, fruity notes on the nose, Yorkshire's Best is a classic, easy-drinking best bitter with a crisp, thirst-quenching balance of bitterness and a kiss of floral sweetness on the finish.

Oatmeal Stout (Downlands) 4.8% Oatmeal Stout

Known in the industry for its amazing casks. Subtle hints of grapefruit, dates and coffee grace this stout, laden with oats for a silky smooth mouthfeel, that has all the malty chocolate character you'd expect

Dark Bere (Swannay Brewery, Orkney) 4.2% Viking Grain Porter

All the way from Orkey using locally grown bere malt. A luscious, layered, smooth and sophisticated porter. Coming in at 5.2% this beer has an earthy bitterness and is darkly complex.

Triple Choc (Saltaire) 4.8% Chocolate Stout

From the jewel in the crown of Yorkshire breweries comes this internationally acclaimed stout. This moreish dark beer complements English Fuggle hops with rich chocolate decadence. Thick and black with a dense caramel head, this stout delivers a deep chocolaty smell and a clean rich taste with a massive hit of chocolate sweetness.

Arbor Ales and Left Handed Giant Guest Late Addition

Arbor has been at the heart of the independent Bristol beer scene since 2007, offering fresh, hop-forward beers. LGH brew modern, progressive beers from Wadehurst Industrial Estate & their Fitzel's Reach brewpub.

----- **NO & LOW** -----

Thanks to **Corks of North Street**, we've got a truly exceptional selection of non/low-alc drinks.

Everything below is 1 for 2 tokens (or 2 for 3). We know that makes it more pricey than the casks but we're actually making a loss on some of this stuff in order to provide this incredible selection. Because, whether your zebra striping or just not drinking, we want you to explore.*

**For those wondering: Zebra striping is a massive trend among young people. It's where you alternate between alcoholic and non-alcoholic beers to stay at that perfect level. Type it into google.*

Chug

Mash Gang

Extra Pale Ale

"We made this beer to be light and approachable but with enough hops and kick to be worth opening. For thirsty days. Featuring Galaxy, Citra, El Dorado, Amarillo and Vic Secret hops."

Reef Point

Big Drop

Lager

"An eminent golden ray of sunshine, this malt forward offering brings a soft, honey aroma and a robust malt backbone, balanced with a gentle bitterness from the traditional noble hops and a delicate uplifting waft of citrus from the new world addition. "

Cult

Mash Gang

Hazy IPA

"A super modern pale ale showcasing the best of radical southern hemisphere hops. Candy, Zesty and Tropical. We use a heavy-handed cold side dose of Superdelic® Nectarone® & Nelson Sauvin for notes of red fruit, candy, ice lolly, sparkling wine and kool-style-aid."

Double take

5 Points x Wiper

Extra Stout

"Wiper's delicious alcohol-free stout, brewed in collaboration with London's finest: Five Points. Brewed like beer and then using market-leading de-alcoholisation technology. A beautifully traditional dry stout, loaded with roasted barley and dark malts, combined with UK-grown hops for notes of fruity dark chocolate and roasted coffee beans."

Clear Head

Bristol Beer Factory

Clear US IPA

"We've combined two of the best US hops - Citra & Mosaic - for plenty of punch, added lactose for smooth creamy sweetness. Sharp citrus, apple and stone fruit shine through, finishing with a crisp dryness."

Tomorrow

Wiper & True

Helles

"Clean, crisp, refreshing. Easy drinking, packed with complex, layered flavours. A premium, traditional German-style Helles, at 5.0% ABV; a beer we'd be thrilled to serve to our customers and a really true expression of the style."

Cascadian Tides

Brulo

Stout

Dark and hoppy. It shouldn't work but it does. A duo of Columbus and Simcoe dry hops deliver big citrus and pine. Balanced out by chocolate and coffee notes from roasted malts with a solid bitterness that leaves you wanting more.

Clwb Tropicana

Tiny Rebel

Tropical IPA

A non-alcoholic party in a can. The UK's favourite tropical IPA but at 0.5%. Pineapples. Mangoes. Peaches. Passion Fruits. We've got the lot. And we've only gone and put them all together. Banging.

Hibiscus & Rose

Something & Nothing

Like nothing else!

"Based on a Sri Lankan drink which we loved (which was delicious but a bit sweet). Our take is sharp, refreshing, botanical and totally unexpected. You might think you don't like rose - but trust us, this is not what you are expecting."

----- **EVERYTHING ELSE** -----

Thanks to **Degusto** we offer snacks for both kids & adults and some kids drinks too!

Outside you'll find **Pizza Adore** (Fri) or **For Mice & Men** toasted cheese sandwiches (Sat)

----- **AND FINALLY** -----

If you're enjoying this event it's only due to the efforts of a lot of people. Community events need volunteers. The next one is the Chew Valley 10km on 1 June 2025. In particular, we need marshalls placed around the loop. It'll be a half day enjoying the countryside & helping the runners.
