THIS DECLARATION is made on this the 3<sup>rd</sup> day of June, 1996 by The Mallard Group, Inc. ("Declarant"):

### W I T N E S S E T H

WHEREAS, Declarant is the owner of the real property described on Exhibit "A"; and

WHEREAS, Declarant desires to subject the real property described on Exhibit "A", and possibly other property, to the provisions of this Declaration to create a residential community of single-family housing,

NOW THEREFORE, Declarant hereby declares that the real property described on Exhibit "A" of this Declaration, including any improvements which may be (but are not required to be) constructed on that property, is subjected to the provisions of this Declaration. Such real property shall be held, sold, transferred, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to the covenants, conditions, restrictions, easements, assessments, and liens, contained in this Declaration. The provisions of this Declaration shall run with the title to the property subjected to this Declaration. This Declaration shall be binding on all persons having any right, title, or interest in all or any portion of the property now or hereafter made subject hereto, their respective heirs, legal representatives, successors, successors-in-title, and assigns and shall inure to the benefit of each and every owner of all or any portion thereof.

#### 1. Definitions

The following words, when used in this Declaration (unless the context shall prohibit), shall have the following meanings:

- b. "Association" shall mean Woodruff Lake Homeowner's Association, Inc., a South Carolina nonprofit corporation, its successors and assigns.
- c. "Board of Directors" or "Board" of the Association shall be the appointed or elected body, as applicable, having its normal meaning under South Carolina law.
- d. "Bylaws" shall refer to the Bylaws of the Association, attached as Exhibit "C".

- e. "Common Property" shall mean, if any, the real property, interests in real property, and personal property, easements and other interests, together with improvements located on that property (if any) which are now or are hereafter owned by the Association for the common use and enjoyment of some or all of the Owners.
- f. "Community" shall mean the real property and interests described on Exhibit "A", and (i) such additions to that property as may be made by Declarant or by the Association pursuant to this Declaration.
- g. "Community-Wide Standard" shall mean the standard of conduct, maintenance, or other activity generally prevailing in the Community. Such standard may be more specifically determined by the Board of Directors of the Association. Such determination must be consistent with the Community-Wide Standard originally established by the Declarant.
- h. "Declarant" shall mean that person or entity executing this Declaration as Declarant. The Declarant may appoint and designate a successor Declarant by designating such appointment or designation in a deed filed in the real property records of the Register of Mesne Conveyance (RMC) in the county where the Community is located.
- i. "Declaration" shall include any Supplemental Declaration.
- j. "Lot" shall mean any plot of land within the Community, whether or not improvements are constructed on that land, which constitutes or will constitute, after the construction of improvements, a single-family dwelling site as shown on a plat recorded in the land records of the county where the Community is located. The ownership of each Lot shall include, and there shall pass with each Lot as an appurtenance thereto, whether or not separately described, all of the right, title, and interest of an Owner in the Common Property and membership in the Association.
- k. "Mortgage" means any mortgage, security deed, deed of trust, or similar instruments used for the purpose of encumbering real property in the Community as security for the payment or satisfaction of an obligation.
- l. "Mortgagee" shall mean the holder of a Mortgage.

## 2. Property Subject To This Declaration

- a. Property Subjected To This Declaration. The real property which is subject to the covenants and restrictions contained in this Declaration is the real property described in Exhibit "A".
- b. Other Property. Only the real property described in Section 2 (a) is made subject to this Declaration. However, Declarant may subject additional property by recording one or more Supplementary Declarations.

## 3. Association Membership and Voting Rights

- a. Membership. Every Owner shall be deemed to have a membership in the Association. If a Lot is owned by more than one Person, there shall be only one (1) membership per Lot, and the votes and rights of use and enjoyment shall be as provided in this Declaration and in the Bylaws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a Member or the Member's spouse, but in no event shall more than one (1) vote be cast nor office held for each Lot owned.
- b. Voting. Members shall be entitled to one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting. The Lot's vote shall be suspended in the event more than one (1) Person seeks to exercise it.

## 4. Assessments

- a. Purpose of Assessment. The assessments provided for in this Declaration shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and occupants of Lots, as may be authorized from time to time by the Board.
- b. Creation of the Lien and Personal Obligation for Assessments. Each Owner agrees to timely pay to the Association: (a) annual assessments or charges; (b) special assessments; and (c) specific assessments against any particular Lot which are established pursuant to the terms of this Declaration. Each Owner also agrees to pay reasonable fines as may be imposed in accordance with the terms of this Declaration.

- c. Late Charges. All assessments, shall accrue late charges, interest (not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum on the principal amount due), costs, including without limitation, reasonable attorney's fees actually incurred. The assessments and charges shall be a continuing lien upon the Lot against which each assessment is made, and shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment fell due.
- d. Personal Liability. Each Owner shall be personally liable for the portion of each assessment coming due while the owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for the assessments which are due at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.
- e. Certificate of Payment. The Association shall, within five (5) business days after receiving a written request, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate shall be binding upon the Association as of the date of issuance. The Board shall have the right to impose a reasonable charge for providing this certificate.
- f. Annual Assessments. Annual assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board. The Board may allow annual assessments to be paid periodic payments, and the Board shall have the right to accelerate any unpaid annual installments in the event an Owner is delinquent. Unless otherwise provided by the Board, the assessment shall be paid in annual installments.
- g. Computation of Annual Assessments. The Board shall prepare a budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve. The Board shall cause the budget and the assessments to be mailed or delivered to each Member at least thirty (30) days prior to the end of the current fiscal year. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote. In the event the membership disapproves the proposed budget, or the Board fails to establish a budget for the succeeding year, the budget in effect for the then current year shall continue for the succeeding year until changed by the Board. In the event the Board's budget is disallowed, the Board shall have the right to make a new budget retroactive to the start of the fiscal year.
- h. Special Assessments. In addition to the other assessments authorized by this Declaration, the Association may levy special assessments from time to time. Special Assessments must be approved at a meeting by two-thirds (2/3) of the Total Association Vote. Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.
- i. Lien for Assessment. All sums assessed against any Lot, Owner or Member pursuant to this Declaration shall be secured by a lien on such Lot in favor of the Association.

- j. Priority. The lien of the Association shall be superior to all other liens and encumbrances on such Lot, except for (a) liens for ad valorem taxes; (b) liens for all sums unpaid on a first priority Mortgage or Deed to Secure Debt, or (c) a lien arising by virtue of any Mortgage in favor of Declarant which is duly recorded in the land records of the county where the Community is located. All other Persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded shall be deemed to acknowledge that their liens shall be inferior to the lien of the Association for assessments in existence at that time or which arise in the future.
- k. Effect of Nonpayment of Assessment Any assessments (or installments) which are not paid when due shall be delinquent. Any assessment (or installment) which is delinquent for a period of more than ten (10) days shall incur a late charge in an amount set by the Board. If the Assessment is not paid within thirty (30) days, a lien shall attach. The lien shall cover all assessments then due or which come due until the lien is canceled of record, and any other amounts provided in this Declaration or permitted by law. In the event that the assessment remains unpaid after thirty (30) days, the Association institute suit to collect such amounts and foreclose its lien. The Association shall have the right to foreclose its lien any method allowed by law. The Association shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, convey the same.
- l. No Set Off or Deduction. No Owner may waive or otherwise exempt himself from liability for the assessments provided for in this Declaration. No setoff, diminution or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action, for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority. The obligation to pay assessments is a separate and independent covenant on the part of each Owner and is not subject to setoff.
- m. Application of Payments. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.
- n. Date of Commencement of Assessments. Assessments shall start on the first day of the month following the sale of the Lot to a Person. However, the sale of a Lot to a Person for the purpose of construction of a home and subsequent sale of that newly constructed home shall not cause assessments to commence. The first annual assessment shall be adjusted according to the number of days then remaining in that fiscal year.
- o. Specific Assessment. The Board shall have the power to specifically assess pursuant to this Section as it shall deem appropriate, in its sole discretion. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future. The Board may also specifically assess Owners for the following Association expenses (except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association):

~~1643-858~~

- i. Expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefitted according to the benefit received; and
  - ii. Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.
- p. Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may (but shall not be required to):
- i. advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association and the sum of the annual, special and specific assessment collected by the Association in any fiscal year. Such advances shall, upon request of Declarant, be evidenced by promissory notes from the Association in favor of the Declarant. The failure of Declarant to obtain a promissory note shall not invalidate the debt; or
  - ii. cause the Association to borrow such amount, or a general borrowing from a third party at the then prevailing rates for such a loan in the local area of the Community. Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan; or
  - iii. Acquire property for, or provide services to, the Association or the Common Property. Declarant shall designate the value of the property or the services provided and such amounts, at the request of the Declarant, be evidenced by a promissory note. Failure to obtain a promissory note shall not invalidate the obligation referred to in this Section.

5. Maintenance & Conveyance of Common Property to Association

- a. Association's Responsibility. The Association shall maintain in good repair the Common Property, including (without limitation) maintenance, repair, and replacement of all landscaping and improvements situated on the Common Property. The Association shall also maintain all lakes, dams, spillways and over flow pipes in or about the Subdivision or any lot thereon, to the extent maintenance of such lake is required and the lake is not otherwise maintained by a governmental entity or third party.
- i. The Association shall also maintain all entry features, and common areas, operate and maintain street lights (if not maintained and operated by a governmental entity) for the Community including the expenses for water and electricity, if any, provided to all such entry features; all storm water detention facilities and easements serving the Community (to the extent such facilities and easements are not maintained by a

governmental entity); and all property outside of Lots located within the Community which was originally maintained by Declarant. The Association shall also maintain any cemetery lots located in the Subdivisions, without regard to whether or not same are located on a lot or common areas.

- ii. The Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community, where the Board has determined that such maintenance would benefit the Owners.
  - iii. In the event that the Association determines that the need for maintenance, repair, or replacement of property described in (i) or (ii) above is caused through the willful or negligent act of an Owner, or the family, guests, lessees, or invitees of any Owner, and is not covered or paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof shall be an Assessment against such Owner subject to the Association's lien and collection rights provided for in this Declaration.
  - iv. The maintenance shall be performed consistent with the Community-Wide Standard.
- b. Owner's Responsibility. Except as provided in (a) above, all maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. In the event that the Board determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible, the Association may perform such maintenance, repair or replacement for the Owner at the expense of the Owner. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs shall be an assessment.
- c. Conveyance of Common Property by Declarant to Association. The Declarant may convey to the Association any personal property, any improved or unimproved real property, leasehold, easement, or other property interest located within or adjacent to the Community. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its Members. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section.

6. Use Restrictions and Rules

- a. General. This Section sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended as provided in this Declaration. In addition, the Board may, from time to time, without consent of the Members, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. Such use restrictions and rules shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by a majority of the Total Association Vote.
- b. Residential Use. All Lots shall be used for residential purposes exclusively. No business or business activity shall be carried on in or upon any Lot at any time except with the written approval of the Board. Leasing of a Lot shall not be considered a business or business activity. However, the Board may permit a Lot to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-laws, does not create a disturbance and does not unduly increase traffic flow or parking congestion. The Board may issue rules regarding permitted business activities. The declarant shall have the right to operate a sales office and a construction office from one or more Lots within the Community.
- c. Architectural Standards. No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. Except as provided above, no exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, color, materials, and location shall have been submitted in writing to and approved by an Architectural Review Committee to be established by the Board.
  - i. The Architectural Review Committee may be established such that it is divided into two (2) subcommittees, with one (1) subcommittee having jurisdiction over modifications and the other having jurisdiction over new construction.
  - ii. The Board may employ architects, engineers, or other persons as it deems necessary to enable the Architectural Review Committee to perform its review.
  - iii. The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated.
  - iv. Written design guidelines and procedures shall be promulgated for the exercise of this review, which guidelines may provide for a review fee.
  - v. So long as the Declarant owns any property for development or sale in the Community, the Declarant shall have the right to appoint all members of the

Architectural Review Committee. Upon the expiration or earlier surrender in writing of such right, the Board shall appoint the members of the Architectural Review Committee.

- vi. If the Architectural Review Committee fails to approve or to disapprove submitted plans and specifications within sixty (60) days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Architectural Review Committee shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in this Declaration, record in the appropriate land records a notice of violation naming the violating Owner.
- vii. Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Architectural Review Committee, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Review Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications and every owner agrees that such person or owner will not bring any action or suit against Declarant, the Association, the Architectural Review Committee, the Board, or the officers, directors, members, employees, and agents of any board, or the officers, directors, members, employees, and agents of any of them to recover any damages and hereby releases, remises, quitclaims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

- viii. Signs. No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. "For Sale" and "For Rent" signs and security signs consistent with the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Lot. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Lot as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof.
- ix. Vehicles. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, trucks, campers, buses, vans and automobiles. Unless and except to the extent that the Occupants of a Lot shall have more vehicles than the number of parking areas serving their Lot, all vehicles shall be parked within such parking areas. Where the Lot contains a garage, "parking areas" shall refer to the number of garage parking spaces. All single-family detached homes shall contain a garage; carports shall not be permitted. Garage doors shall be kept closed at all times, except during times of ingress and egress from the garage.
- (1) No vehicle, boat, motor home, trailer, or recreational vehicle or trailer may be left upon any portion of the Community for a period longer than five (5) days, unless it is stored in a garage or stored in another area designated or approved by the Board. Vehicles, boats, motor homes, trailers or recreational vehicles which are either unlicensed or inoperable for a period of five (5) days or more may not be stored upon any portion of the Community at any time unless fully enclosed in a garage.
  - (2) No unlicensed vehicle shall be left upon any portion of the Community, except in a garage or other area designated by the Board.
  - (3) Such vehicles identified in (1) and (2) above must be removed by the Owner. The Association shall have the right to remove any such vehicle if not removed by the Owner within ten (10) days of notice, and the costs of such removal shall be an assessment against such Owner.
  - (4) Trucks with mounted campers which are an Owner's or Occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.
- x. Off Road. No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles and vehicles authorized by the Board.
- xi. Leasing. Lots may be leased for residential purposes. All leases shall have a minimum term of at least six (6) months. All leases shall require, without limitation,

that the tenant acknowledge receipt of a copy of the Declaration, By-laws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing and shall provide that in the event of noncompliance, the Board, in addition to any other remedies available to it, may evict the tenant on behalf of the owner and specifically assess all costs associated therewith against the Owner and the Owner's property.

- xii. Occupants Bound. All provisions of the Declaration, By-laws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not paid timely, the fine may then be levied against the Owner.
- xiii. Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in reasonable number, as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs which are household pets shall be kept on a leash when outside of an owner's residence. No pet which has caused any damage or injury shall be walked in the community, whether on a leash or otherwise. All pets shall be registered, licensed and vaccinated at required by law. Pets which endanger health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners or occupants must be removed by their owner upon request of the Board.
- xiv. Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within purposes, shall be located, installed or maintained upon the exterior of any Lot unless required by law.
- xv. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including, without limitation, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community.
- xvi. Antennas. No exterior antennas of any kind, including, without limitation, satellite dishes, shall be placed, allowed, or maintained upon any portion of the Community, including any Lot, without the prior written consent of the Architectural Review Committee. Satellite Dishes which are dark grey or black in color and are 18 inches

or less in diameter shall be allowed, provided they are not visible from the street, installed upon or adjacent to a residence, and are integrated with the surrounding landscape.

- xvii. Tree Removal. No trees that are more than four (4) inches in diameter at a point two (2) feet above the ground shall be removed without the prior written consent of the Architectural Review Committee. However, no flowering trees, including, without limitation, dogwood trees, regardless of their diameter, shall be removed without the prior written consent of the Architectural Review Committee. Notwithstanding all of the above, no consent or approval is required for the removal of any trees, regardless of their diameter, that are located within ten (10) feet of a drainage area, a septic field, a sidewalk, a residence, a driveway or the line formed by the highest normal pool elevation of any lake.
- xviii. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or Occupant may alter, obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains, the right to alter same being expressly reserved to Declarant.
- xix. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.
- xx. Garbage Cans, Woodpiles, Etc. All garbage cans, woodpiles, hot tubs, spas, and related equipment, and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Declarant reserves the right to dump and bury material on property within the Community as needed for efficient construction and to allow developers and builders within the Community to bury material removed from a building site. Trash, garbage, debris, or other waste matter of any kind may not be burned within the Community except that Declarant may maintain a "burn pit" during development and construction of the Community.
- xxi. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Architectural Review Committee. Declarant, however, hereby expressly reserves the right to replat any Lot or Lots owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations. Declarant's right to replat any Lot shall include the right to change the configuration of streets and otherwise make changes on the final plat for the Community as to how the streets and common areas in the Community are laid out.
- xxii. Guns. The use of firearms in the Community is prohibited. The term "firearms" includes rifles, pistols, "BB" guns, pellet guns, and small firearms of all types.

- xxiii. Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any Lot without the prior written consent of the Architectural Review Committee. Under no circumstances shall any fence be placed, erected, allowed, or maintained upon any Lot closer to the street than the rear one-third (1/3) of the residence located on the Lot. (Only shadow-box style privacy fencing constructed of six (6) foot maximum height, dog-eared, unpainted, cedar shall be approved by the Architectural Review Committee.) Notwithstanding the foregoing, the Declarant shall have the right to erect fencing of any type, at any location, on any Lot during the period that such Lot is being used by Declarant as a model home. The Board of Directors shall have the right to erect fencing of any type considered appropriate or desirable by the Board at any location on the Common Property.
- xxiv. Utility Lines. No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction, and lines installed by or at the request of Declarant.

#### 7. Insurance and Casualty Losses

- a. Insurance on Common Property. The Board of Directors or the duly authorized agent of the Association shall have the authority to and shall obtain insurance for all insurable improvements whether or not located on the Common Property which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.
- b. Liability Insurance. The Board shall obtain a general commercial liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million Dollars (\$1,000,000.00). If available, the Board is authorized to obtain directors' and officers' liability insurance coverage.
- c. Declarant. The Board is authorized to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof. The Board shall not be required to comply with the provisions of this Section if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.
- d. Premiums. Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

- e. Miscellaneous. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefitted parties, as further identified below. Such insurance shall comply with these provisions:
- i. All policies shall be written with a company authorized to do business in South Carolina.
  - ii. Exclusive authority to settle losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.
  - iii. In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.
  - iv. All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually.
  - v. The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:
    - (1) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners and their respective tenants, servants, agents, and guests;
    - (2) A waiver by the insurer of its rights to repair and reconstruct instead of paying cash;
    - (3) that no policy may be cancelled, invalidated, or suspended on account of any one or more individual Owners;
    - (4) that no policy may be cancelled, subjected to nonrenewal, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;
    - (5) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

- (6) that no policy may be cancelled, subjected to nonrenewal or substantially modified without at least thirty (30) days prior written notice to the Association.
- vi. In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be determined in the three (3) months' assessments plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be cancelled, subjected to nonrenewal or substantially modified without at least thirty (30) days prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, and the U.S. Department of Veterans Affairs, or the U.S. Department of Housing and Urban Development.
- f. Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket "all-risk" casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If all-risk coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt within ten (10) days after receipt by the Owner of a written request from the Association. If the Association does acquire insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Lot as a specific assessment.
- g. Damage and Destruction -- Insured by Association.
  - i. In General. Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or

restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. The Board shall have the enforcement powers specified in this Declaration necessary to enforce this provision.

- ii. Repair and Reconstruction. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the Total Association Vote otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.
- iii. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.
- iv. In the event that it is determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.
- h. Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction. In the event of noncompliance with this provision, the Board shall have all enforcement powers specified in this Declaration.
- i. Insurance Deductible. The deductible for any casualty insurance policy carried by the Association shall in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

8. Condemnation In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, at least seventy-five percent (75%) of the Total Association Vote shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Property to the extent lands are available therefor. The provisions of this Declaration applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

Failure to comply with this Declaration, the Bylaws or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board of Directors, on behalf of the Association, or in a proper case, by an aggrieved Owner. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. If South Carolina law limits the period during which covenants restricting lands to certain uses may run, any provision of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time any such provision shall be automatically extended for successive periods of ten (10) years, unless a written instrument reflecting disapproval signed by the then Owners of 2/3 of the Lots and the Declarant (if the Declarant still owns any property in the Community or has the right to annex additional property) is recorded within the year immediately preceding the beginning of a ten (10) year renewal period. .
- d. Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association, the Department of Housing and Urban Development, the Veterans Administration, or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company to insure or guarantee Mortgage Loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Lot Owners hereunder, nor shall it adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended:

- (1) for so long as the Declarant owns any property in the Community or has the right to annex additional property, with the affirmative written consent of the Declarant and upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots;
- (2) If the Declarant no longer owns any Property in the Community and no longer has the right to annex additional property, upon the affirmative vote

or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots.

- e. Partition. The Common Property shall remain undivided, and no Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not necessarily limited to, the Lots located within the Community.
- f. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.
- g. Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end, the provisions of this Declaration are declared to be severable.
- h. Captions. The captions are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.
- i. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.
- j. Indemnification. To the fullest extent allowed by applicable South Carolina law, the Association shall indemnify every officer of the Association and director of the Association against any and all expenses, including, without limitation, attorney's fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. This indemnification shall also include attorneys fees and expenses incurred in enforcing this indemnification. The Association shall maintain adequate general liability

and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

k. Books and Records.

- i. Inspection by Members and Mortgagees. This Declaration, the Bylaws, copies of rules and use restrictions, membership register, books of account, and minutes of meetings of the members of the Board and of committees shall be made available for inspection and copying by Declarant or any member of the Association or by the duly appointed representative of any member and by holders, insurers, or guarantors of any first Mortgage at any reasonable time and for a purpose reasonably related to such Person's interest as a member or holder, insurer, or guarantor of a first Mortgage at the office of the Association or at such other reasonable place as the Board shall prescribe.
- ii. Rules for Inspection. The Board shall establish reasonable rules with respect to: (1) notice to be given to the custodian of the records; (2) hours and days of the work when such an inspection may be made; and (3) payment of the cost of reproducing copies of documents.
- iii. Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extra copies of documents at the reasonable expense of the Association.

- l. Financial Review. A review of the books and records of the Association shall be made annually in the manner as the Board may decide; provided, however, after having received the Board's financial statements at their annual meeting, by a majority of the Total Association Vote, the Owners may require that the accounts of the Association be audited as a common expense by a certified public accountant. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements within ninety (90) days of the date of the request.
- m. Notice of Sale, Lease or Acquisition. In the event an Owner sells or leases such Owner's Lot, the Owner shall give to the Association, in writing, prior to the effective date of such sales or lease, the name of the purchaser or lessee of the Lot and such other information as the Board may reasonably require. Upon acquisition of a Lot each new Owner shall give the Association, in writing, the name and mailing address of the Owner and such other information as the Board may reasonably require.
- n. Agreements. Subject to the prior approval of Declarant (so long as Declarant owns any property for development or sale in the Community, or has the right to unilaterally annex additional property to the Community) all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors,

assigns, and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

- o. Implied Rights. The association may exercise any right or privilege given to it expressly by the Declaration, the Bylaws, the Articles of Incorporation, any use restriction or rule and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.
13. Use of Recreational Facilities. Declarant may, but shall not be required to, construct recreational facilities on portions of the Common Property. These facilities may take the form of tennis courts, a pool, bathhouse, viewing areas and the like. In the event Declarant constructs such recreational facilities, the following shall apply:
- a. For so long as Declarant has an option to unilaterally subject additional property to this Declaration, or holds an interest in any portion of the Community (whichever is greater) Declarant shall have the right to grant to persons who are not members of the Association the right to use the recreational facilities. The extent and duration of nonmember use and the fee to be charged shall be determined solely by Declarant. The Declarant may grant nonmember use rights to Persons as an easement appurtenant to such Person's residential real property so that such use rights shall automatically inure to the benefit of such Persons and their heirs and assigns.
  - b. Any use right granted to nonmembers which extends beyond the time period specified in (i) above shall be valid and may not be terminated by the Association so long as the terms and conditions imposed upon nonmember use by the Declarant are complied with by the nonmember user.
  - c. Declarant hereby reserves unto itself, its successors and assigns, a non-exclusive, perpetual right and privilege and easement with respect to the Community for the benefit of Declarant, its successors, assigns and the above nonmember users, without obligation or charge. These rights shall include, without limitation, an easement for travel across all Common Property in the Community.
  - d. Declarant shall not be responsible for any fees to be paid by such nonmember.
  - e. Declarant shall have the sole right to grant nonmembers access during the time period specified in (a) above.
14. Variances. Notwithstanding anything to the contrary contained herein, the Declarant and the Board or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.
15. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote. This Section shall not apply, however, to (a) actions brought by the Association to enforce the

provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in this Declaration, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended during the time period when Declarant owns any property for development or sale in the Community, or has the right to unilaterally annex additional property to the Community unless such amendment is made by the Declarant.

16. Capitalization of Association. Upon acquisition of record title to a Lot by the first Owner other than Declarant or a Builder, a contribution of \$60.00 ("Initiation Fee") shall be made by or on behalf of the purchaser to the Association as set forth below. The Initiation Fee shall be in addition to, not in lieu of, any annual or special assessments. The Initiation Fee shall be payable at Closing, shall not be prorated, and the Association shall have all rights under the Declaration for enforcement of assessments if it is not paid. The Initiation Fee shall be deposited into an account of the Association and disbursed from that account (a) \$35.00 for expenses and costs of the Association in accordance with the Declaration and By-laws, as amended, and (b) \$25.00 of the initiation fee shall be held by the Association as a long term "Maintenance Reserve" to be disbursed by the Association for maintenance of any property which the Association is required or permitted to maintain, in its sole discretion. The Initiation Fee referred to in this paragraph is payable only one time, and will not be charged subsequent purchasers of a Lot once paid.
