Morgan Walton recommends Mr-SantaClaus.com; “This Santa is absolutely spectacular - looks and personality! He is the most loving Santa and so wonderful with the kids. We have used him for a handful of events each Christmas season for the last 3 years and every year we love him more.”

Pete Averson; wrote “You are a special man spreading Christmas joy and God to children of all ages. Everyone here was blessed by meeting you and watching you truly interact with our children and grandchildren. You are an authentic magical soul who touched everyone's heart forever. Kids were and are still amazed and will always remember their up close and personal interaction with St Nick. I feel like I have a new best friend that would bring kindness and wisdom to myself and all members of my clan. Our home is always open to you and yours; you are a true disciple- a man who lives, shares, and manifests Christ's life to those fortunate to have shared moments with you. I watched my family truly experience the spirit of Christmas. You don't need any costume because you exude peace, love, joy, kindness, magic, knowledge and hope. What a gift we received from you. Thanks for the best unforgettable Christmas experience - Santa; looking forward to your next visit - I appreciate and love you.”
