

# L1 – Learning the Ropes!

L1 – Learning the Ropes, is designed to help you and your dog learn how to effectively communicate.

You – understanding how to communicate

Your dog – learning to want to listen and understand the expectations and boundaries

In this eight week course we'll cover;

The basics - sit, come, stay, leave, drop and place

Along with;

- Proper socialization and greetings
- Understanding and working with Impulse control (teaching you how to read your dog and have them make the right choices)
- Using marker words to help keep your dog focused on you
- Loose leash walking and techniques

The goal is to help you build confidence within yourself, your dog and understand how to implement the techniques that are going to make both you and your dog successful!

---
