Financial Markets Leadership Institute Business Schools Partner Program

Open a world of opportunities for your students

Financial Markets Leadership Institute (FMLI) is a blue blooded Global Financial Markets skills and leadership attributes development institution.

FMLI sees Global Financial Markets as a single, integrated market place. Hence, its outlook is completely global.

Through its Short Term, Modular Leadership Programs like Fixed Income Engineering & Analytics, Advanced Derivatives, Portfolio Management, Global Investment Banking & Equities Research etc. as well as through its longer term programs like Global Financial Markets Practitioners Program, FMLI is helping participants discover their inner potential and in the process, transforming them from knowledge consumers to knowledge contributors and inculcating leadership skills and attributes that are highly valued in Global Financial Markets today.

In order to help B-Schools leverage from the curriculum and experience of FMLI and raise the standard of Financial Markets Programs at the B-School, FMLI offers a formal, selective and non-exclusive tie up.

This tie up enables Partner B-School to avail several benefits such as

- ✓ Rights to use FMLI Logo and Marketing Material
- ✓ Substantial discounts for FMLI Programs
- ✓ Free Financial Markets Career Counselling Workshop for their students
- ✓ Access for students to live dealing terminals, trading and settlement desks for a stipulated number of hours at FMLI Live Markets
- ✓ Periodic high quality Financial Market workshops from FMLI at a discount
- ✓ Faculty and students both get complimentary subscription to FMLI Content Library, Financial Markets Leadership Insights Journal and other FMLI content, which is a great source of learning
- ✓ Students get automatically enrolled for Financial Markets Youth Leadership Awards organized by FMLI
