

Dear Friends,

I am one blessed man. I have family that is serving The Lord. I have a nice home. I have a wonderful ministry; and, I HAVE FRIENDS! Thank you, Jesus.

We have been very busy at the “SINGING IN THE SUN” Gospel Concert in Myrtle Beach and traveling across the state sharing testimonies of redemption. The message of HOPE and HELP has resonated loud and clear from our students this month.

It is a joy to see men like Mike maturing in Christ. Todd is coming to realize the call upon his life for ministry. Jeremy is pushing through physical pain on his journey to a Godly lifestyle. Kenny is learning to trust others, as he finds his identity in Christ and Marcus has come to us in his search to break the repeating cycle of relapse. Each one faces their “Goliath’s”, as they are learning to break away from the old way of thinking to become more like Jesus each day.

Billy (a 4 year) staff member has seen God mightily restore his life. His driving privilege has been restored. He has received his high school diploma while here. He has completed online ministerial courses. He now owns two vehicles and completed college classes to be an Air Conditioning Technician. Billy will be leaving us to begin a job in the Charleston area. Pray for Billy as he continues to make life decisions that will be pleasing to God. He has been a good supporting staff member and will be missed.

I did receive a report that Chris (March Newsletter) is in basic training and doing well. He has found some buddies that get together to share Bible verses. He is to graduate Basic Training on May 31. I will keep you posted on any progress reports we receive.

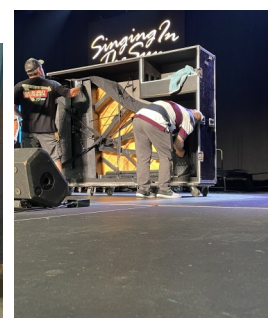

I’ve shared some pictures of our memory making week, as we worked the concert and made so many new friends and renewed friendships from the past. For those of you who showed up at the concert and blessed us, WE APPRECIATE YOU...all the way from Texas, Pennsylvania, New York, North Carolina, Virginia, and South Carolina! It was awesome.

Thank you for helping last month in this financially difficult season. The economy is not the best, but you have been faithful; and, together we will see God do unbelievable things for his people. His WORD is foundational and UNDENIABLE. His PROMISES are TRUE and His LOVE is everlasting. His mercies are new every morning!
